The Democratic Watchman.

BELLEFONTE, PENN

FRIDAY MORNING. : DEC. 18, 1868

THINGS ABOUT TOWN & COUNTY.

ACCIDENT.—Mr. Benjamin Hounsel, of Walker township, while working about a threshing machine, the other day, had his hand *literally torn off*. Under the treatment of Dr. Fisher, he is rapidly recovering.

PERSONAL.—Mr. Meek has been absent during the week, *purchasing a new outfit for the* WATCHMAN at Philadelphia, desiring to make this journal, in all respects, still more attractive and worthy of popular favor.

AMUSEMENT.—By reference to another column, *it will be seen that Sanford*, with a first-class troupe of minstrels, *opens in Bush's Hall, Monday evening next*. Let all who would enjoy a hearty laugh, attend. A grand matinee will be given on Christmas afternoon.

CARRIER'S ADDRESS.—The readers of the WATCHMAN will bear in mind that the carrier will wait upon them on New Year's, with his Address. He has been prompt and faithful, and they should reward him liberally. It is customary throughout the world to tender to the carrier an acknowledgement of the subscriber's regard. We hope our readers will do the neat thing by Charley.

T. M. CHRISTIE, LOCK HAVEN.—We desire to call attention to the advertisement of the Mason & Hamlin Organs, to be found elsewhere. There has been a great reduction in the price of these celebrated instruments, and it would be well for those desiring to purchase these first class organs to confer with T. M. Christie, the agent, at Lock Haven. He is also agent for a number of Pianos, Sewing Machines, etc.—the best made.

THE NEW BAND.—This institution made its first appearance on our streets on Monday evening last, and played several airs very creditably for persons so new in the business. From the interest taken in music, and the rapid progress they have made, we may safely say that Bellefonte can very soon boast of having a first class Brass Band, as it is composed of young gentlemen possessing no mean musical talent. But they will not be without rivals—as a number of "citizens of African descent," of this place, have also organized a band and will shortly make their *debut* before the people of this place, and will doubtless receive the applause they may deserve.

FATAL ACCIDENT.—This morning the body of Christian Swyler, who had been a brakesman on the Penna. R. R. freight train, was found shockingly mangled near the bridge crossing Buffalo Run, below this Borough. Mr Swyler was doing double duty Thursday morning on account of a friend who had a day at home, and on passing from the forward end of the train to the rear, he stepped into a *platform car, the bottom of which was either swinging or insecurely fastened*, when he fell thoroughly and a part of the train passed over his head and right arm. The body was taken to the Penna Passenger depot, where an inquest was held by Esq Barr. Swyler had been in the employment of the Penna R. R. Co. for some time. He leaves a widow and several small children to mourn their loss.

ARREST OF AN OBSTREPEROUS MAN.—*Fred Stanley* was arrested on Monday by Officer Amos Mullen, and placed in jail, for disorderly conduct and an attempt to shoot James Clark and others. As we learn from the Officer, Stanley boarded with Mr Clark, and having got into a difficulty in his house, drew his pistol and ran Mr. Clark out of the house. When the policeman arrived, Stanley was at the front door, battering it down, and threatening to kill Clark. He was arrested while endeavoring to get up stairs. On being arrested, he struck the Officer on the head with his pistol, which stunned him for a time. On recovering, the Officer made for his man and succeeded in recapturing him. On getting him to the street, Stanley made an attempt to shoot the Officer, but his pistol barrels had all been discharged. He was held over to answer in default of $500 bail.

MARRIED.

MCCORMICK—COTTILL.—At the residence of the bride's mother, by Rev. D. Castleman, Mr. J. Thomas McCormick to Miss Henrietta B. Cottill, both of Potter's Mills, Centre county, Pa.

BOUSE—ARMSTRONG.—Sept. 17th, at the residence of the bride's father, by the same, Mr. James Bouse to Elizabeth G. Armstrong, all of Potter's Mills, Centre county.

—A fine head of hair is such an undesirable adjunct to beauty that no one who [illegible] should neglect to use the best preparation to be had to increase its growth, restore color or prevent its falling off. Ryan's Vegetable Ambrosia is one of the most effectual articles for the purpose we have ever seen, besides being one of the most delightful hair dressings and beautifiers extant. It is free from the sticky and greasy properties of most other dressings and being delicately perfumed renders itself used to every lady or gentleman's toilet article.

We call to the public the most Illuminating stove of the age. Many persons have been induced to purchase Coal Oil heating stoves, but failed to get a good Illumination has soon failed or been found troyed because to adequate means were presented to prevent the mica windows from being smoked while the fire was first kindled. We are happy to state to our customers that we have overcome the above deficiency in self feeding stove 15 by 9 the mica windows in a Revolving Cylinder the windows can to be closed while the fire is being kindled, and after the coal is ignited the cylinder can be removed throwing the windows open, entirely free from smoke and producing a perfect and clear light, which cannot be produced in any other stove. By this improvement we have entirely overcome the great objection to be found in all other Illuminating Stoves. And in addition to this the Revolving Light is supplied with Speer's celebrated patent poker, by which the fire can be poked without dust or dirt escaping out into the room, it is therefore entirely free from dust, so common to all other stove. We also keep all of Speer's make of Stoves, and a variety of tinware and pipe, whole sale or retail. Call and see their stock.
