——The New Hampshire Republican State Convention met on Thursday last, and nominated Onslow Stearns for Governor. Resolutions were adopted declaring for impartial suffrage, and the reduction of the interest on the public debt. It must be interesting to government bondholders who persuaded themselves, or allowed themselves to be persuaded, that the Democrats ment to do them mischief, to find Republican State Conventions passing resolutions to reduce the value of their investments. The only party that it is always safe to trust is the Democratic party.

——Appropriations for the Indian Bureau are asked on the basis of three hundred thousand red skins to be fed, clothed and "done for." Persons well posted in the numeration of the Indians put the entire number under seventy thousand. This is a wide difference, and the facts in relation to this point should be definitely ascertained before the money is voted.

——The New York *Times* say the "history of the Freedmen's Bureau can now be written." And, if truly written, it will exhibit a record of extortion, wrong and crime, such as the world has rarely witnessed, and which is a disgrace to the civilization of the age.

——Recently at Magdeburg, a widow of seventy-three married her seventh husband. He was less than thirty years old.

——A hairless squirrel has been caught in Natchez. Its skin is soft and smooth, and evidently had'nt any hair upon it.

——Having given the statistics of the hogs in Chicago, the papers there are now reporting the amount of pig iron manufactured.

Prospectus of the Bellefonte "Democratic Watchman" for 1869.

With a record of thirteen years of unquestioned service in the cause of Democracy, for Caucassian supremacy, for strict observance of Constitutional obligations, for State Rights, for Free Trade, and for Liberal Government, the BELLEFONTE

"DEMOCRATIC WATCHMAN"

enters upon its fourteenth volume with renewed vigor, with more life, and hope, and determination, than at any other period of its history. When in the past many other Democratic journals bent to the storm of fanaticism and bigotry, it battled on regardless of everything but duty. When many of the friends of State Rights cringed beneath the tornado of armed Federalism and Tory usurpation, it was true to the Democracy of Jefferson. When thousands of the leading advocates of Free Trade surrendered to the domination and exactions of the New England Tariff robbers and plunderers of the people, it held aloft the banner of justice. When Abolitionism, and its kindred train of infamies, invaded the rights of property and the popular institutions of sovereign States, it fought the good fight of the States and People.

The BELLEFONTE WATCHMAN has never sought for fame by courting infamy, nor for rewards not worthily earned. Its record is before its host of readers and friends in all quarters, and upon that record it enters the new year, seeking to advance to the

FRONT RANK

of State and National Journalism, that it may be enabled to battle on for the cause of Justice, Equality, Right and Democracy, with an earnest desire to aid in the restoration of stricken Liberty throughout the Confederacy.

To accomplish the purpose in view, we point to its proud and well-known record of the past thirteen years, asking for it the kind offices and good will of

BRAVE, BOLD, UNCONQUERED DEMOCRATS

in all parts of the country, toward building up for it a commensurate and useful circulation.

Now is the hour for safe and bold counsels and careful preparations. Never before was there such need for organization and harmony and unanimity among the friends of Liberty and Democracy. If Democrats fail to hold firmly to the cause for which they have sacrificed so much, then Liberty is lost to them and their children, and the Despotism and Tyranny of Federalism is secure evermore, and a monarchial government *permanently succeeds* the wise, liberal, plain and unostentatious system which the patriot fathers reared for unworthy sons.

It is needless to say to the readers and friends of the DEMOCRATIC WATCHMAN, that it will continue

TO STRIKE AT DESPOTISM, MONOPOLY, AND WRONG,

and to defend and uphold the Constitution and the people against their enemies—to war against all manner of robber Tariffs, and other frauds upon consumers, to uphold free trade and the rights of the many, to oppose the building up of all species of monopolies, and to do its duty fearless and fully in all things.

The BELLEFONTE WATCHMAN will each week contain more strong and stirring original matter than any other journal in Pennsylvania, and will aim to be worthy of support by Democrats in

ALL THE STATES
