The Democratic Watchman.

BELLEFONTE, PA.

Friday Morning, January 8, 1869.

THINGS ABOUT TOWN & COUNTY.

THE members of the Democratic County Committee are requested to meet at the Court House, in Bellefonte, on Tuesday, the 26th of January, at 2 o'clock, p. m., for the purpose of appointing conferees to elect Senatorial Delegates to the State Convention.

J. D. SHUGERT, Chairman.

——If sinners only "stand upon slippery places," there is thundering few righteous people show themselves out of doors, about this town.

——Centre county has a better jail, and fewer prisoners in it, than any county in the State of its size or population.

——Our Zion friends had a terribly bad night for their concert, last Saturday evening. Hadn't they better try it over when the weather is more propitious.

——Gen. BEAVER it is said, declines being a candidate for Governor, since the Delaware county paper that was so profuse in its puffery of him a few weeks since, sent in its bill for bringing him out for that position. How are you Governor?

——*If the fellow* down on Allegany street who kisses his girl good night, about the time we go home every evening, would practice a while and learn to do it, without smacking so loud, folks on the ontside, would'nt know what was going on.

——On Monday last we were making our best endeavors to get to the train, before it could be off, we overheard a elderly lady on High street, —*not a young miss* for wanting to slide with the boys on the street—telling her that being "ten years of-age she was to big to play with the boys now." To which the young lady replied, "Why mother the bigger we grow the better we like them." We concluded there was considerable truth in the answer

——On Monday last, JACK TURNER, a darkey who is confined in jail at this place charged with stealing money, wrenched off a heavy iron chain, with which he fastened to his cell From the reports he has made to escape, one or two of which have almost proved successful, our sheriff has come to the conclusion that he must be a distant relation of JACK SHEPPARD or Three String Jack

THE mail line between this place and Pinegrove has changed its time of running from here It will leave Bellefonte hereafter on Tuesday, Thursday and Saturday *of each week*, instead of Monday, Wednesday and Thursday This change will suit the traveling public while it affords us better accommodation for our mails on that route

NEW ODD FELLOWS HALL —We are informed that the Odd Fellows, in connection with D G Bush, Esq, are about to erect a large three story brick hall, on the ground directly opposite the Bush Hotel The work will commence immediately and progress as rapidly as the weather will permit, until it is completed

A HANDSOME TURNOUT —Our friend Mr A Krom, one of the proprietors of the Brockerhoff House, of this place, displayed on our streets on Wednesday last, the most handsome sleigh, equiped with the most beautiful and comfortable robes and attached to which were a pair of very handsome and spirited young horses, such as is seldom witnessed in this vicinity, and was very much admired Such style for sleighing is very creditable to the owner, and such as we would not hesitate long in deciding should our company be solicited for a few miles

MR. PHILIP PHILLIPS, of New York city, the world-renowned singer, will give an "evening of sacred song" in Bush's Hall, Bellefonte, on Thursday evening, January 21, 1869 Mr P has just returned from Europe, where he met with unprecedented success The English and Irish press teem with eulogies in relation to his performances there. We congratulate the citizens of Bellefonte and vicinity upon this anticipated treat. The prospects are flattering for a crowded audience, and our friends from the country would do well to secure tickets early. To be had at the Drug Stores.

FIRE! — About seven o'clock, on yesterday, Thursday, morning, our citizens were startled by the alarming cry of fire! Upon proceeding to the "scene of conflagration" we discovered it to be a small building on High street, near the Diamond, and occupied as a boot and shoe shop by Mr. P. McMahon. The inferior of the building, with a large amount of stock was entirely destroyed, involving a loss to Mr. McMahon of several hundred dollars. As usual, in cases of this kind, our vigilant "fire boys" looked serenely upon the devouring element with a great deal of patience and fortitude, and doubtless, rehearsed an ejaculatory prayer in sympathy for the suffer, while "Rescue, No. 2" extinguished the flames.

THE ODD FELLOWS.—We understand that this order has purchased a lot on the main avenue of our Cemetery, were they recently interred our deceased friend, G N. Moore, and where they propose to decorate and improve the grounds. All Odd Fellows who may die in our midst as strangers, and all who have no family burying ground will find there a last resting place. The charitable, fraternal and benevolent feelings of this brotherhood, are quite active in our midst, and reflects great credit upon the members of the order for their mark of respect in administering the last sad duties to the dead Mr. Moore came here a few years ago an entire stranger, and contributed largely in the work of re-organizing Centre Lodge

——During the war, a soldier from the vicinity of Milesburg this county. (We know the chap but don't like to tell on him) fell desperately in love with a sweet southern girl, whose home had been desolated and destroyed by SHERIDAN She didn't altogether appreciate the advances of her would be "loveiur;" who thinking he could touch her gentle heart, with "flowers and song," gathered up a bunch of dandelions, Camomille, red-clover, a few roses, and blossoms that he could gather from trees about the camp, and with *the following* feeling inscription sent it to her

"Accept this token from a lover
Who oft has heard the cannons belch,
Has listened to the rifle's tooten,
And hoped to do a deep of shooten,
Has seen the war clouds darkly rise,
Like fifty buzzards when they fize
Who now is bigger than his dad,
And wants to marry nitty bad"

It wouldn't work, however, and the poor fellow came home without being married, and is now after one of our Bellefonte girls. Go in JOHN—You'll make it yet

——During the holidays, our young friend S S W, of this place concluded to go to New York *and see the sights*. We gave him a letter of introduction, to a gentleman whom we knew, could "show him round," but in place of his calling with the letter, he concluded to "go it on his "own hook" By accident our New York friend, found him out, and sent us the following pathetic history of his four days visit

we came to the city, Bellefonte you'
As green as green could be, *and his*
And he opened those gaping e
To see what he could see

He met a damsel young and fair,
Whose way she did not shed lost,
And for information to the story she told
His silver watch it cost

He tackled the tiger fast and all
He sought him in his lair
And got beat *again of his greenback, which*
He could but ill spare

He saw a stranger a good fat look
Pick up at his heel, and he said
It was his—'twas full of drafts and bills
And to him more greenbacks paid

And he purchased a glittering watch and a
chain,
Which was "warranted first class,"
But the chain it was copper galvanized
And the watch it was made of brass

He hied him as a to Water street
To join in the festive dance
And a maiden fair to his bosom pair
As she gave him amorous glance

And when with expanded angel he
Retired that night to rest
Through a pane of glass recently cut in the wall
They stole his coat and vest

And when next morning he raised crow
With oaths we dare not repeat
They took him boothless and hatless too
And kicked him into the street

Then he took the early morning train
With a notion vague and dim
That Bellefonte and not the two opposite
Was in future the place for him

TRIBUTE OF RESPECT At a meeting of the Independent Order of Odd Fellows, held at their Lodge Room, on Thursday evening the 7th inst the following preamble and resolutions were unanimously adopted

WHEREAS, It has pleased Divine Providence to remove from our midst by the hand of death our respected brother Past Grand G N Moore,

Resolved That by the death of Brother Moore Centre Lodge No 141 has been called upon to mourn the loss of a most faithful and earnest worker in promoting its prosperity and the order generally, an old and time-honored member, the joys of whose life were closely twined about it and whose greatest delight was the inculcation of its principles

Resolved That we desire to bear testimony to the good character and moral standing of our deceased brother, especially would we mention his kindness of heart, unflinching honesty and universal gentlemanly deportment

Resolved That we will ever hold in grateful remembrance the services of Brother G N Moore to whose energy and perseverance we owe our existence, in a measure, as a Lodge, and in a great degree our present prosperity

Resolved, That these resolutions be published in the several newspapers of Bellefonte, and a copy of them be recorded upon the minutes of this Lodge

Signed, GEORGE F HARRIS,
B Y STETZER,
J S BARNHART,
Committee.

THE following resolutions were passed by Potter's Mill Lodge, No 350, Independent Order of Good Templers, in token of respect to their late sister, Lizzie Shives

WHEREAS, In the unscrutable dispensation of Divine Providence the Infinite God has been pleased to remove from among us our dearly beloved sister, Lizzie Shives

Resolved, That in her death Potter's Mills Lodge, No. 350, I O of G T, has lost one of its members, one endeared to us all, a good and faithful sister and associate

Resolved, That from our association with Sister Lizzie Shives we have witnessed a lovable disposition; for her diligence in the performance of duty and enduring afflictions with much patience, and sanctified through the Divine Spirit her end was peace

Resolved, That we tender our expressions of deep condolence to her mourning friends, and that as a token of respect, we wear the usual badge of mourning for twenty days

Resolved, That a copy of these resolutions be transmitted to the family of the deceased, and be published in the county papers.

MICHAEL SHIVES, W. S.

ACKNOWLEDGMENT.—MESSRS. EDITORS:—I take this opportunity of expressing my gratitude to the people of Milesburg and vicinity, for their kindness to me and my family on the 1st of January, 1869. They presented me with a pocket-book and thirty dollars in money, some wheat, two sacks of flour, one of corn meal, some buckwheat flour and potatoes, also, tea, sugar, coffee, annel fruit, hats for our children, mat, lard and a great variety of dry-goods, the actual value of which I cannot estimate. These things are very valuable in themselves, but more so to me as an evidence of their good wishes. For all of which they will pase accept my sincere thanks.

Their frend and debtor,
W. O. WRIGHT.

A MOST SUCCESSFUL & WONDERFUL INVENTION

NOW IN USE FOR

WASHING CLOTHES WITHOUT LABOR

An Automatic Clothes Washer and Boiler Does its work in from 20 to 30 minutes can be used on any stove or range It has been thoroughly tested and pronounced

UNEQUALED AS A CLOTHES WASHER.

JOHN RUST Patentee

This Boiler operates upon purely *philosophical principles*, is self acting, and dispenses with labor and the wear of the clothes

The hot suds and steam, by the *action of heat*, are driven up through tubes, poured upon the clothes and forced through the fabric with *astonishing rapidity* cleansing all articles, from the finest laces to the bed blanket For flannels it is invaluable, as it does not *full* them as in the old process of rubbing and pressing

The time *required for cleansing* a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling suds are forced through the fabric

THOROUGHLY ERADICATING THE DIRT WITHOUT LABOR

or friction A thorough rinsing finishes the process

WARRANTED TO DO THE WORK IF DIRECTIONS ARE FOLLOWED

Washing-day will no longer be a terror and dread to housewives The cost of the Boiler will soon be returned in the

SAVING OF TIME AND LABOR AND THE GREAT SAVING

in the wear of clothes.

The invention can be used in any boiler, and the low price of the articles is within the reach of every family

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, etc.
