Prospectue of the Bellefonte "Demooratio Watchman" for 1869.

With a record of thirteen years of unques niting record of annexts years of unques-tioned service in the cause of Democra-y, for Caucassian supremacy, for atrict observance of Constitutional obligations, for State Rights, for Free Trade, and for Liberal Government, the BELLEFONTE

"DEMOCRATIC WATCHMAN"

enters upon its fourteenth volume with re newed vigor, with more life, and hope, and newed vigor, with more me, and hope, and determination, than at any other period of its history. When in the past many other Democratic journals lent to the storm of fanaticism and bigotry, it buttled on regardless of every-thing but duty. When minny of the friends of State Rights eringed beneath the tornado of state figures and Tory usurpation, it was armed federalism and Tory usurpation, it was arme to the Democracy of Jefferson. When thousands of the leading advocates of Free Trade surrendered to the domination and exections of the New England Tariff robbers and plunderers of the people, it held aloft the banner of justice When Abolitionism, and its Lindred train of infamiles, invaded the rights of property and the popular institutions of sovereign States, it fought the good fight of

HOOFLAND'S GERMAN BIT

. .. AND.....

HOOFLAND'S GERMAN TONIC.

The great remedies for all diseases of THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure injoin (or, as they are medicinally termed, extracts) of Roots, Herbs, and Barks, making a propusation high by concentrated, and chirely free from alcoholic admixture of any kind.

HODPLAND'S GERMAN TONIC,

Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Croix Rum, orange, etc., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a medicine free from alco-holic admixture, will use

HOOFLAND'S GERMAN BITTERS Those who have no objection to the combination of the Bitters, as stated, will use

HOOFLAND'S GERMAN TONIC

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, as Indigestion, Hyspery, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympatitizing as closely as it does, with the stomach, then becomes affected, the Feault of which is that the patient a filters from several or more of the following diseases.

Constitution, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausca, Heart-burn, Disgust for Food, Pufness or Weight in the Stomach, Sour Erucations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering of the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., etc., Sudden Flushes of Heart, Surming in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possess true merit, is skilfully compounded, is free from injurious ingredients and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies-

HOOFLAND'S GERMAN BITTERS

HOOFLAND'S GERMAN TONIC,

PREPARED BY DR C M. JACKSON, PHILADEL PHIA, PA.

Twenty-two years since they were first intro-duced into this country from Germany, during which time they have undoubtedly performed nore cures, and benefitted suffering humanity to a greater extent, than any other remedies known to the puble. These remedies will effectually cure Liver Complaint, Jaundiee, Dyspepsy, Chronic of Nervous Tebility, Chronic Diarrhea, Disease of the Kidneys, and all diseases arising from a disordered liver, stomuch, or intestines

DEBILITY

Resulting from any cause whatever; Prostration of the System, induced by severe labos, hardships, etc.; Exposure, Fevers, etc. There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite in strengthened, food is enjeyed, the stomach digests promptly the blood is purified, the complexion becomes sofund and healthy, the yellow tinge is cradion ted from the eyes, a bloom is given to the cheeks, and the weak and nervous uvalid becomes a strong and healthy being PERSONS ADVINCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant fils, within ind in the me of this Bitters or the Tonic, an elizir that will instil new life into their veins, restore in a measure the energy and arder to more youthful days, build up their shrunken forms, and give health and happiness to the remaining years.

NO FICE. It is a well-established fact that fully one-halt of the female portion of our population are selfom in the enjoyment of good health, or, to use their own expression, "never feed well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the Bitters, or the Tonic, is especially recommended.

Are made strong by the use of either of those remedies. They will care every case of "mar asmus," without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will show of the publication of but a few. Those, it will be observed, are men of note and of such standing that they must be believed.
