BELLEFONTE, PA.

Friday Morning, March 19, 1869.

## THINGS ABOUT TOWN & COUNTY.

The fish market is ready, but the fish are still absent. Why are things thus?—Certain editors in Bellefonte are still "harping on my daughter." Won't somebody give them something to harden their heads?

JOHN H. STOVER, Esq., formerly of this place, and now ex-carpet-bag Congressman from the 6th Missouri district, is in town this week.

FRANK GREEN'S Drug Store will be removed on the 1st proximo to the Bush House, near the depot. FRANK'S customers will follow him.

One of our town-papers records the death of Mr. HIRAM STEIN, killed by the falling of a tree, but leaves us in the dark as to where Mr. STEIN lived.

The books of Peter Kerlin, has been left with Squire Rumbarger for settlement. All persons are hereby notified to make immediate settlement and save further trouble.

Those of our subscribers in town who intend to change their places of residence on the first of April, should have word at the office, so that our carrier may be instructed where to leave their papers.

WILLIAM R. McVEY, brakeman on the Lock Haven express train, while pulling a brake on Tuesday night last, on his train, broke two of his fingers. There was rather too much break about that.

The new bands is getting along finely, and will soon be in a fair way to compete with any band in the State. Persevere, gentlemen, and let it be known that the musical taste of our city has not degenerated.

The Sabbath School of Zion's Evangelical Church, will hold a jubilee at 8 o'clock in the Academy at Borkburg, in honor of the Sunday School Library, on Thursday and Friday evenings, the 25th and 26th instant. The Borkburg Band will be present.

The vestry supper proposed to be given by the ladies of the Vestry Temperance organization, at the house of Mrs. KERR, on Wednesday evening, we are authorized to say has been postponed for the present. Due notice will be given hereafter of the date to which it has been deferred.

The Bush House at the depot will be opened, we understand, about the first of May, under the superintendency of Messrs. BUSH & HOWELL. We are glad to know that the proprietors of that palatial edifice did not comply with the suggestion made to them to name it after the Attorney General.

Our enterprising friend, Mr. J. H. HAINES, will move his jewelry establishment from Bush's Arcade to the room adjoining HERR & BROS.' store, on Spring street, on the 1st day of April. Mr. HAINES is a skillful and competent jeweler, and one of the most accomplished in our town. We have printed him some large posters, which tell exactly what he proposes, and are able to do. Give him a call.

The pleasant March days are bringing out the people, and our streets present a lively appearance when the sun shines. But March is a deceitful creature, and it is not wise to put much confidence in her. There was wisdom in the words of the poet who wrote:

"The first half of Spring  
Attempted to sing,  
But ere he had reached a note,  
He fell from the limb,  
And a shiver went him,  
For the music had far in his throat."

We learn that our local article of last week in reference to the darky preacher at Howard stirred up the Radical portion of that community somewhat. We are glad of this, and hereafter we trust they will try and act like white people, proud of the Caucasian blood that the Almighty put into their veins. Let colored folks lead and sleep with colored folks, and don't try to abrogate an unalterable law of God.

St. Patrick's Day—the 17th instant, the anniversary of the birth of the Patron Saint of Ireland, was appropriately celebrated here on Wednesday, by our Irish fellow citizens, under the auspices of St. Patrick's Sons of Temperance. In the afternoon a parade took place, headed by the Bellefonte Band, and in the evening a very learned and interesting address on Ireland and the Irish people, was delivered in the Court House, by Rev. Father OSHEA, of Loretta, Cambria county, an eloquent and accomplished scholar and gentleman. The speaker began by saying that in Ireland he first organized the Phinians, who were among the most learned of the nations of antiquity, and then, after some allusion to the great work done by St. PATRICK in the conversion of the Island to Christianity, went on to show the gradual expansion of that people into one of the most intelligent and powerful nations in the world. The address was interesting and instructive throughout, and the style of

the speaker elaborate and classical. A fair house was in attendance, but the audience should have been much larger, as the proceeds were to be devoted to the benefit of the St. Patrick Sons of Temperance. At the conclusion, Gen. BUNN moved that the thanks of the audience be tendered to the orator of the evening for his able and comprehensive address, which was done with much applause. During the fore and after parts of the evening the Band discoursed some excellent music, thereby adding much to the pleasure of the occasion.

The velocipedes have been the centre of attraction for the past week. CAL SMITH landed in our town last Friday with a couple of the "animals," and has been crowded with visitors ever since. Some of our young heroes have been trying their skill as riders, although we have yet to learn that any remarkable progress has been made in the art of managing the critters. Our private opinion is that the velocipede is a humbug, although it might be dangerous to assert such a belief in public, but, nevertheless, (we will whisper it in your ear, reader,) it is certainly not as rapid a means of progress as a locomotive. It won't run over a common street, nor even over a rough pavement, although over a room floor it may attain a considerable degree of speed. Mind, now, we are talking *soberly*, and don't mean to be heard all over town. But we haven't thought one of the darned things for our own use yet, and don't think we shall soon.

The "Grand Army of the McElhennen" under the command of Col. L. A. MACKAY, of Lock Haven passed through Milesburg on the cars, last Friday morning, en route for Clearfield. We learn from the *Republican* that while in Clearfield the "Army" was hospitably entertained by Senator WALSH, MR. GRAHAM, Judge LEONARD and Gov. BOYER, and that the speeches made on the occasion by Messrs. MACKAY, WALLACE, SCOTT, LYMAN, ORVIS and BOYER, "will do more to cement and strengthen the political and social relations between the citizens of Lock Haven and Clearfield than a score of business meetings." Must have had a good time. The *Republican* adds, "the results flowing," &c. "We would simply inquire if there was a flow of something else besides results?"

We had the pleasure of looking in at Mr. ECKERT's dancing school the other evening, and found everything there in the most flourishing condition. The lovers of Terpsichore were present in all their gallantry and beauty, tripping to the sound of music, "the light fantastic toe." Mr. Eckert, judging from the progress made by his pupils, is an accomplished teacher, able to impart all the various graces of this delightful amusement. The dancers seemed to enjoy themselves amazingly, and some of them are, apparently, quite devoted to this "poetry in motion." Several of the pupils are real graceful dancers.

THEY RAILROAD. It would appear, says the *Lewistown Chronicle*, that the proposed Railroad from Lewisburg to Bellefonte, is gradually getting into a tangible shape. The right spirit now prevails, and we hope those who are possessed will not let go until the incalculable benefit is placed beyond a doubt.

The following is the report of the recent meeting:

Pursuant to public notice given, a meeting of the friends of the extension of the Lewisburg Branch Railroad was held at DeKard's Hotel, Milesburg, on Monday, March 8th. Hon. J. W. Simonton presided, and J. E. Herr, Esq. was chosen Secretary. Remarks favorable to immediate action were made by S. S. Barber, Hon. Eli Shifer, W. C. Dunham and others. Hon. Eli Shifer offered the following resolution which was adopted:

Resolved, That a committee of citizens of the Borough and Township interested be appointed, whose duty it shall be to appoint meetings in their respective localities to promote the interests of the railroad, and to confer with citizens of Centre county for the purpose of arranging for a joint meeting at some convenient point.

J. E. HERR, Sec'y.

RAILROAD EMPLOYERS.—It may be of some importance to railroad employees as well as to that class of persons who are in the habit of standing on platforms, at the risk of injury to themselves, to know that the following is the new law upon the subject: "If any person or persons in the service or employ of a railroad or other transportation company, doing business in Pennsylvania, shall refuse or neglect to obey any rule or regulation of such company, or by reason of negligence or willful misconduct shall fail to obey any precaution or rule which it was his duty to obey and observe, and injury or death result to any person or persons by such neglect, the person or persons so offending shall be deemed guilty of misdemeanor, and, on conviction thereof, shall be sentenced to pay a fine not exceeding five thousand dollars, and undergo an imprisonment in the County Jail or State Penitentiary, not exceeding five years. It is made the duty of the county District Attorney to prosecute offenders against this law."

Action of the Vestry of St. John's Church, Bellefonte, Pa., in reference to the death of the Hon. Charles Shaler.

WHEREAS, It has pleased Divine Providence, by death, to remove from among us the Hon. Charles Shaler, our late associate, and fellow member in the Vestry and Congregation of St. John's Church, Bellefonte, Pa., and

WHEREAS, We feel it due to the memory of the deceased, and to ourselves, to place upon record some testimonial of our high regard for him as a gentleman, and as a christian, and our sense of the loss we have sustained by his death—

Therefore, be it

Resolved, That in our intercourse with Judge Shaler, during the term of his connection with this Parish, we have ever found him illustrating with fidelity, the character of the true christian gentleman, and, that now by his decease, we feel that in our social and church relations, we have sustained a very grievous loss. And, further, having, from our knowledge of his domestic life, some appreciation of the severity of this stroke to his bereaved family, we would, in all sincerity, extend to them this expression and assurance of our christian sympathy with them in their sorrow, praying that the Divine Healer may pour into their stricken hearts the comforting and sanctifying influence of His spirit's presence and support.

Resolved, That a copy of the foregoing be forwarded to the family of the deceased, and others be furnished for publication in the religious and secular press.

## Business Notices.

The undersigned, of Bellefonte, and all other persons, are requested to bear in mind that the key to the Lock Haven place for the collection of debts is in the hands of Dr. G. B. Perkins, is now taking the establishment to the full, with the best of goods, at the lowest possible prices. The prints, muslins and domestic dress goods, have been obtained at a heavy discount from usual terms, and the variety and richness of foreign goods surpass most decidedly the assortments usually presented to the public. His stock of carpeting is worthy the attention of hotel and housekeepers. It includes more than the usual line of Ingrains, three Pils, Brussels, &c., and gives to the customer the advantage of the newest styles of Tapestry, Ingrains, Danish, Venetians, &c. The closest and largest bargains are arranged to call any price. The stock through, at the lowest and best way of knowing the truth of the above statements. Perkins Keystone Store, Main street, Lock Haven.

Gray hairs may not mar one's good looks, and in many cases even improve the appearance, but as a general rule are considered objectionable and many devices are resorted to prevent or get rid of them. We know of no mode so little troublesome or objectionable as the use of King's Vegetable Ambrosia, an article which has become so immensely popular as a toilet article and beautifier. It is easily applied, restores gray or faded hair, prevents, and in many cases cures baldness, cleanses the scalp and leaves the hair in splendid condition for arranging in any style.

## MARRIED.

PAULINA—Sister—Al Tyron, by Esquire Cudever, on Monday evening the 25th ult. Mr. Joseph D. Priner, of Bellefonte, to Miss Mattie Siger, of Glen Hope, Clearfield county.

The newly married couple have our best wishes for their future prosperity and happiness.

ALEXANDER—Esquire—On the 14th inst. by Rev. J. H. Hackenbush, Mr. James Alexander of Old Fort, and Miss Eliza Emerick of Centre Hall, Pa.
