Mr. Speaker. I have the gentleman (Mr. Husted, Republican,) credit for making an eloquent speech, and he certainly made an eloquent speech had, however, almost forgotten to allude to what seemed to me to be the most eloquent portion of his remarks when he was urging that loyalty should be rewarded. It was in the description of that great battle of the West or South-west (Mariresboro), when he pictured to us in glowing language the armies of both sides; the defeat of our forces, the rally and the eventful triunph. It was in the portion of his speech that he pictured to us this great event that I really thought the gentle-man was eloquent; that while he spoke another great event in the military his tory of our country came fresh to my mind. "It was, sir, on the decisive field of Gettesburg, when the rebel General Lee directed one of his most able lieutenants to pierce the Union center—which done would have ended the rebellion, and disastrously for the repub-But there was in command of that center a brave and gallant soldier, a man who knew how to lead his troops to hattle and to victory. A Democratic soldier, sir! There was in command of that center a man who, when this great liquitenant of the rebel hordes came thundering on, hurled back his forces and sayed the republic. What is the result? The rebel heutenant who so nearly pierced that Union conterns rewarded by a Federal appointment, and the Federal General esent into exile in the wilds of Dakotal This is rewarding loyalty! This is giving to these brave men who upheld the standard of the republic so nobly their due! How do you account for it? Is it because this Republican party, so overgiown with pride, so full of lust of power, dare not do justice even to the men who periled their aves in the detense of the republic ?

THE LIVER, 8 OMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medicinally termed, extracts) of Roots, Herbs, and Barks, making a preparation highly concentrated, and entirely free from alcoholic admixture of any hind.

HOOFLAND'S GERMAN TONIC.

Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Croiz Rum, orange, etc., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a medicine free from alcoholic admixture, will use

HOOFLAND'S GERMAN BITTERS

Those who have no objection to the combi-nation of the Bitters, as stated, will use

HOOFLAND'S GERMAN TONIC.

They are both equally good, and cowsin the same medicinal virtues, the cheice between the two being a mere matter of taste, the Tonic being the mest pelakable.

The stomach, from a variety of causes, a Indigestion, Dyspeps, Nervous Bebliky, etc., is very spt to have its functions daranged. The Liver, sympathizing as closely as it does with the stomach, then becomes affected, the rasult of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Pries, Fulness of Bloed to the Head, Asidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Staking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering of the Heart, Choking or Buffoosting Sensations when in a Lying Posture, Dimensor of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Persyration, Yellowness of the Brin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., etc., Susdaen Flushes of Heart, Burning in the Fiesh, Constant Imaginings of Evil, and Great Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his invatigations and inquiries possess true merit, is satisfully compounded, is free from injurious inspections and has established for itself a reputation for the ours of these diseases. In this connection we would submit those well-known remedies—

ROOFLAND'S GERMAN BITTERS

HOOFLAND'S GERMAN TONIG, PREPARED BY DR. C. M. JACKSON, PRIMADEL-PRIA, PA

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and senefited suffering lumnaity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsy, Chrenic or Nervous Debility, Chronic Diarrhea, Disease of the Kidneys, and all diseases arising from a diseasedered liver, stomach, or intestines.

DEBILITY

Resulting from any cause whataver; Prostration of the Bystem, induced by severe laber, hardships, etc., Exposure, Fevers, etc. There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjeyed, the stomach digests promptly, tile blood is purified, the complexion becomes seend and healthy, the yellow tings is eradisated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE, And feeling the hand of time weighing hear-ily upon thera, with all its attendant ills, will find in the use of this Bitters op the Tonic, as clizir that will instil new life into their wine, restere is a measure the energy and arder of more youthful days, build up their shrunken forms, and give health and happunese to their remaining years.

NOTICE It is a well-established fact that fully one-half of the female portion of our population are seldes in the enjoyment of good health; or, to use their own expression, "sever feet well." They are languid, devoid of all energy, extremely servous, and have no especific. To this class of persons the Bitters, or the Tonic, is especially recommended.

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of "maragnase," without fail Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. These, it will be observed, are man of note and of such standing that they must be believed.
