THE DAY LABORER.

In the morning sow thy seed, and in the evening withhold not thine hand... Fear not, for some will flourish, and though the tares abound, for thou like the wheat, by the waters, will be gathered.

The Baltimore Episcopal Methodist on the Preachers.

If the Ministers of the Gospel have the right to determine, in disputed cases what is right or wrong, then they ought to be enlightened by a special illumination... themselves in the place of God, and show themselves as God. They are poor erring mortals like the rest of us. The deduction that it would be well for the community to adopt their opinion does not justify the ministers in usurping the prerogative of God and giving laws to men.

is. If we are not mistaken, that astute manager will twist the flexible nose now in his hand as easily as if they were wax. Around Dr. Eddy, Inskip and others, a party of simpletons will soon be collected who will in a little while be negroed and sanctified, until even Dr. Eddy's highest hopes will be fulfilled.

THE GIRL WHO LIVED NEXT DOOR. Oh, happy dream! Oh, happy dream! Bright day of all the past, Bringing with tender summer light, Too full of sun to last, One childish figure 'mid the haze.

John Phoenix. A friend recently related to us the following anecdote of Phoenix, which has never been published: When Jefferson Davis was Secretary of War, he issued circulars to all the army officers, asking of them specifications for a proposed new uniform.

This, That and the Other. The Berlin Journals say they consider a European war inevitable. The Arabian Giant, seven and a half feet high, has settled in Illinois. A Tennessee widow of 114 years boasts to descend to 8, and rides horseback.
