SEWING MACHINE.

THE SINGER SEWING MACHINE.

Among sewing machines, those made by the Singer Manufacturing Company, rank with the highest. Their manufacturing machines, have long been known as the best for manufacturing purposes. But within the past few years, they have given special attention to the production of a

FAMILY MACHINE.

destined to win much favor in the HOUSEHOLD

The machine which they now offer is quiet light-running, simple, fast, noiseless, its accessories

HEMMING, BRAIDING, BINDING,

QUILTING, TUCKING, CORDING,

FELLING, GATHERING,

are simple and easily understood. The delicate though enduring and tireless "muscles" of iron and steel, do all the work noiselessly, better, and few will deny, "Faster than hand can do it."

They urge those wishing to purchase a machine, to examine all the other manufactures before buying, as it will for itself overcome all the objections to the other machines that can be brought against it. Machines are on hand for sale and exhibition, together with a full and complete assortment of

SILK, TWIST, LINEN,

OR-COTTON THREAD

and all the accessories for the machines by W. W. MONTGOMERY, Agent.

Prospectus of the Bellefonte "Democratic Watchman" for 1866.

With a record of thirteen years of unquestioned service in the cause of Democracy, for Caucasian supremacy, for strict observance of Constitutional obligations, for State Rights, for Free Trade, for Liberal Government, the "DEMOCRATIC WATCHMAN" enters upon its fourteenth volume with renewed vigor, with more life, and hope, and determination, than at any other period of its history. When in the past many of its Democratic journals bent to the storm of fanaticism and bigotry, it battled on regardless of very thing but duty. When many of the friends of State Rights cringed beneath the tornado, armed Federalism and Tory usurpation, it true to the Democracy of Jefferson. When thousands of the leading advocates of Free Trade surrendered to the domination and exactions of the New England Tariff robbers and plunderers of the people, it held aloft the banner of justice. When abolitionism, and its kindred train of infamies, invaded the rights of property and the popular institutions of sovereign States, it fought the good fight of the States and People.
