

with terrestrial magnetism, might be given, but I have rather the time of room at present. Suffice it to say, that as the earth's magnetic forces are how and for many months have been greatly disturbed by cosmical influences, and as we have recently made our annual transit through the nebulous belt; and as the sun's surface is at this moment disfigured by an unusual number of spots, and as the moon on the 7th instant passed between us and the sun, thereby causing an additional magnetic disturbance upon the earth; and as we on the Pacific coast are now experiencing an unusually protracted dry season, the invariable precursor of tempests in this part of the world; for the foregoing and many other potent reasons, I predict a heavy earthquake to take place early next autumn, as soon as moist clouds float into the dry vaporless atmosphere.

THE REGISTRY LAW!

WHAT MUST BE DONE IN ORDER TO VOTE!
READ, EXPLAIN AND CIRCULATE!
SEE THAT YOUR NAMES ARE ON THE LIST.

TO THE DEMOCRATIC VOTERS OF WESTERN PENNSYLVANIA:

Your attention is directed to the following explanation of the new Registry Law. Read it carefully, in order to ascertain what is your duty in the premises, and then see that your names are placed upon the Assessor's lists.

NATURALIZED CITIZENS

Will see that the Republican Legislature has imposed additional duties upon them. Let them comply fully with the requirements of the law, in order that they may vote for the party which has always stood by them.

EXAMINE THE ASSESSOR'S LIST.

One of which is posted on the house where the election is to be held, and the other is in the assessor's hands. You have a right to examine them, free of charge.

These lists should contain your name, and the names of all other qualified voters in the district; they should state, if you are house-keeper, the number of your house, the street it fronts on; your occupation; if you board, where and with whom you board; if you work for another, your employer's name; and opposite your name should be written the word "voter."

If you have been naturalized, there will also appear the letter "N." If you have merely declared your intention to become a citizen, the letters "D. I."

If you are between 21 and 22 years old, the word "age." If you have removed into the district since the last election, the letter "R." will appear opposite your name.

Make it your personal duty to see that your name is upon the list. Do not trust this matter to any one else.

HOW TO GET REGISTERED.

If you find your name is not on the list, go yourself to the assessor and make your claim to be put on. He is bound to add your name. He cannot question your right. You need not discuss the matter with him, your "claim" is enough. Give him also your precise residence, occupation &c. He will mark "C. V." opposite your name.

ATTEND TO THIS AT ONCE.

If you delay until within ten days of the election, you may lose your vote.

NATURALIZED CITIZENS.

You must show your "papers" to the assessor, in order to get your names registered.

If you intend to take out your "first papers" before the election, you must show your "first papers" to the assessor.

See that your names are on the list. Those of you who do not need to have "first papers," and intend to be naturalized before the election, should get naturalized first, immediately, and go to the assessor with your "papers."

All naturalized citizens must take their "papers" with them to the polls, unless they have been voting for ten years in the same district.

You must take your "papers" with you when you go to vote, even if your name is on the list.

Do not forget this or your enemies will deprive you of your vote.

TAXES.

The law in relation to the payment of taxes is unchanged. If you have paid neither a State or county tax, assessed within two years, do it without delay.

Take your last tax receipt with you to the polls.

Do not delay registering or paying your taxes; attend to the matter now, for fear something may prevent hereafter.

JAMES H. HOPKINS,

Representing the State Committee for Western Pa.

A very forcible and appropriate little sermon is the following from a very common text. Let every Radical and likewise every Democrat, ponder it well:

"WHERE, O, WHERE?"

The "little blue boys" across the street, in an agony of expectant inquiry, ask—

"Where does Judge Packer live?"

No question could be answered with greater ease.

Judge Packer lives where his traducers never will. He lives in the affections of the people of this county in particular, and of the Commonwealth in general.

He lives in the grand improvement his genius and industry have projected, and carried out to successful conclusions.

He lives in the busy hum of a community, whose prosperity is due to his own indomitable integrity and perse-

verance. He lives in the shrill scream of the iron horse, as it threads the steep ascent of our mountains, and rushes through our valleys, carrying to the markets of the world the rich products of our inexhaustible mines, made accessible by his persevering energy.

He lives in the gratitude of the miner, who recognizes in him the carrier who finds a ready market for the "black diamonds," and by rapid and cheap transportation has placed the products of our mines in every market.

He lives in the stately edifices his munificence has erected and dedicated to the education and religious training of the youth of our State.

He lives in good deeds and noble inspirations, and his memory and fame will be as enduring as the mountains his enterprise has reclaimed from unprofitable wastes, around whose summits and over whose precipices he has laid the iron bands of a progressive civilization.

He lives in the good of the present and will live in the marble of the future; live, and his name will be a household word, when the little fellows whose only hope for notoriety is in as sailing a great name, will be forgotten and the coming historian will search in vain for evidence that they ever existed.

"Where does Judge Packer live?"—
Carbon Democrat.

DEMOCRATIC PLATFORM.

1. That the federal government is limited in power to the grants contained in the Federal Constitution; that the exercise of doubtful constitutional powers is dangerous to the stability of the government and the safety of the people, and the democratic party will never consent that the State of Pennsylvania shall surrender her great right of local self-government.

2. That the attempted ratification of the proposed fifteenth amendment to the Federal Constitution by the radical members of the last legislature, and their refusal to submit the same to a vote of the people, was a deliberate breach of their official duty and an outrage upon every citizen of the State, and the resolution making such ratification should be promptly repealed and the amendment submitted to the people at the polls for acceptance or rejection.

3. That the democratic party of Pennsylvania is opposed to conferring upon the negro the right to vote, and we emphatically deny that there is any right or power in Congress or elsewhere to impose negro suffrage upon the people of this State in opposition to their will.

4. That reform in the administration of the federal and State governments, and in the management of their financial affairs is imperatively demanded.

5. That the movement now being made for the amelioration of the condition of the laboring man has our most cordial co-operation.

6. That the legislation of the late republican Congress "outside of the Constitution," the disregard of the majority therein of the will of the people and sanctity of the ballot box, in the exclusion from their seats in Congress of representatives clearly elected, the establishment of military governments in States in the Union and the overthrow of all civil governments therein, are acts of tyranny and usurpation that tend directly to the destruction of all republican government and the creation of the worst forms of despotism.

7. That our soldiers and sailors, who carried the flag of our country to victory must be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

8. Equal rights and protection for naturalized and native-born citizens at home and abroad; the assertion of American nationality which shall demand the respect of foreign powers and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights.

9. That the present internal revenue and taxing system of the general government is grossly unjust, and means ought at once to be adopted to cause a modification thereof.

DODD'S NERVINE DID IT!

New London, Conn., April 22, 1866. Remembered Friends—I thought it well to wait another week before writing, to see if I continued to improve, as I have been doing for some time, under the treatment of new medicine, and I am happy to tell you that I am getting better—even faster than when you were here. I commenced the use of DODD'S NERVINE without anybody advising me to do so. When I began with it I could only walk from my bed to the chair. My trouble has been extreme pain in the head, and has lasted over three years. All the medicine I have heretofore taken has failed to give any relief. I am now able to go up and down stairs, and daily improving. I consider the NERVINE the best medicine I ever found, and shall continue its use, for I am confident of entire recovery. I have taken only three bottles, and would not be without in any account. 14-30-47 Very truly, MRS. I. B. NEWS.

You monstrous cat, with back like an arch, I wish you, specially, hurry and march; Better move off, sir, or, you may depend, This brick will give you a GAMBOL BUMP!

And you, old cat with equally voice, You can't conceive, I would rejoice, To get a good shot, and to knock you flat, You horrible, howling, old feminine Cat!

Well cats, yow! on, and I'll seek repose; And think about Sternbergs clothes; And merry will be the song I'll sing Of the elegant suits for the opening Spring.

Prospectus of the Bellefonte "Democratic Watchman" for 1866. With a record of thirteen years of unquestioned service in the cause of Democracy, for Caucasian supremacy, for strict observance of Constitutional obligations, for State Rights, for Free Trade, and for Liberal Government, the "DEMOCRATIC WATCHMAN" enters upon its fourteenth volume with renewed vigor, with more life, and hope, and determination, than at any other period of history. What in the past many other Democratic Journals bent to the storm of fanatical and bigoted, it battled on regardless of verity but duty. When many of the friends State Rights cringed beneath the tormented Federalism and Tory usurpation, it true to the Democracy of Jefferson. Who thousands of the leading advocates of Free Trade surrendered to the domination and exactions of the New England Tariff system and plunders of the people, it held aloft the banner of justice. When Abolitionism, and its kindred train of infamies, invaded the rights of property and the popular institutions of sovereign States, it fought the good fight of the States and People.

The BELLEFONTE WATCHMAN has never sought for fame by courting infamy, nor for reward not worthily earned. Its record is before the eyes of readers and friends in all quarters, and upon that record it enters the new year, seeking to advance to the FRONT RANK of State and National Journalism, that it may be enabled to battle on for the cause of Justice, Equality, Right and Democracy, with an earnest desire to aid in the restoration of strict Liberty throughout the Confederacy.

To accomplish the purpose in view, we point to its proud and well-earned record of the past thirteen years, asking the kind offices and good will of

Brave, Bold, UNCOMMON SENSE DEMOCRATS

In all parts of the country, toward building up for it a commensurate and useful circulation. Now is the hour for safe and bold counsel and careful preparations. Never before was there such need for organization and harmony and unanimity among the friends of Liberty and Democracy. If Democrats fail to hold firmly to the cause for which they have sacrificed so much, then Liberty is lost to them and their children, and the Despotism and Tyranny of Federalism is secure evermore, and a monarchical government permanently established. The wise, liberal, plain and unostentatious system which the patriot fathers reared for worthy sons.

It is needless to say to the readers and friends of the Democratic WATCHMAN, that it will continue

TO STRIKE AT DESPOTISM, MONARCHY, AND WRONG, and to defend and uphold the Constitution by the people against their enemies—in all its manifold manner of robber, tyrant, and oppressor—frustrate upon congressmen; to uphold the rights of the many; to oppose the building up of all species of monopolies, and to do its duty fearlessly and fully in all things.

The BELLEFONTE WATCHMAN will call on all contain more strong and stirring original matter than any other journal in Pennsylvania, and will aim to be worthy of support by its friends in

ALL THE STATES. Friends desiring to raise clubs should write off terms, or single subscriptions, \$2 per year in advance. Address, P. GRAY MERRICK, Bellefonte, Pa.
