BELLEFONTE, PA. Friday Morning, September 27, 1869.

- DEMOCRATIC NOMINATIONS. FOR GOVERNOR ANA PACKER, OF CARBON COUNTY. FOR SUPREME JUDGE CYRUS L. PERSHING, OF CAMBRIA COUNTY. DEMOCRATIC COUNTY TICKET.

ARE YOU REGISTERED? This is a question that concerns every Democrat. Don't put it off till the last moment...

THE REGISTRY LAW. What Must be Done in Order to Vote. To the Democratic Voters of Centre County.

NATURALIZED CITIZENS. Well see that the Republican Legislature has imposed additional duties upon them. Let them comply fully with the requirements of the law...

EXAMINE THE ASSESSOR'S LIST. One of which is posted on the house where the election is to be held, and the other to the Assessor's hands.

HOW TO GET REGISTERED. If you find your name is not on the list, go yourself to the assessor, and make your claim to be put on.

NATURALIZED CITIZENS. You must show your "papers" to the assessor, in order to get your names registered. If you intend to take our your "last papers" before the election, you must show your "first papers" to the assessor.

Those of you who do not need to have "first papers," and intend to be naturalized before the election, should get naturalized first, immediately, and

go to the Assessor with your "papers." All naturalized citizens must take "papers" with them to the polls, unless they have been voting for ten years in the same district.

Do not forget this, or your enemies will deprive you of your vote. TAXES. The law in relation to payment of taxes is unchanged. If you have paid neither a State nor county tax, assessed within two years, do it without delay.

Roté and His Revolver Again. The Republican attempt to deny the story that Roté, the Radical candidate for Recorder, drew a pistol on Miss Maryann Switzer, a Pleasant Gap girl...

Obituary. WILLIAM PITT FESSENDEN, a prominent Republican statesman and United States Senator from Maine, died in the city of Portland, on the 26th inst.

A Nice Business. What a pitiful spectacle it is to see the Radical leaders opposing the election of Woodruff, who volunteered and lost an arm in the war, which they say, "saved the Union" and preserved "the best government on earth."

THE TWITCHELL MATTER AND SHERIFF LYLE. The pardon of George H. Twitchell is a matter that works the Radical newspapers up to the highest state of excitement. Some of them pitch into us in the roughest kind of way, calling us all the hard names in the calendar.

Mistook his Man. JERRY BETTS, the radical "apron string" candidate for Sheriff, has a hard time of it. To men of his own party he insists that his election is strictly a party question, and that every good Republican must vote for him.

THE AVONDALE HORROR. How the Dead Looked! How the Women Mourned! A special correspondent of the New York World writes as follows: The appearance of the dead men is awful, as how could it fail to be.

BUGGIES FOR SALE! BOLLINGER & McQUISTON. Have on hand and for sale at very moderate prices. THREE NEW BUGGIES, ONE SECOND HAND BUGGY.

Why are our Radical neighbors so silent on that rascally transaction of their candidate for Commissioner, Lewis Hess, whereby he seduced and deceived his neighbors and friends into buying worthless oil stock?

As a kind of a set off to our charge against Geary, they assert that the escape of Twitchell implicates Gen. Lyle, the Democratic sheriff of Philadelphia. We don't see how it can do that.

The city, therefore, that we have made a charge against Sheriff Lyle in our accusation of Geary, is all moonshine. Men as deep in trickery and guile as Jerry W. Geary, would very soon find means to remove any obstacle from his path in the shape of a Democratic sheriff.

What a pitiful spectacle it is to see the Radical leaders opposing the election of Woodruff, who volunteered and lost an arm in the war, which they say, "saved the Union" and preserved "the best government on earth."

Well, Mr. National, do you really require that Mr. Woodruff should rejoice and be exceeding glad over the loss of his arm? Ain't that asking rather much, Mr. Godd?

Liars are despicable. A man that will lie will generally steal. And this is proved in the case of the Radical legislators elected last fall. They first pledged themselves to submit the Fifteenth Amendment to the arbitrament of the people, and then broke their words, and filled their pockets with "Ring" money besides.

DEMOCRATIC PLATFORM. 1. That the federal government is limited in power to the grants contained in the Federal Constitution; that the exercise of doubtful constitutional powers is dangerous to the stability of the government and the safety of the people...

2. That the attempted ratification of the proposed fifteenth amendment to the Federal Constitution by the radical members of the last legislature, and their refusal to submit the same to a vote of the people, was a deliberate breach of their official duty and an outrage upon every citizen of the State, and the resolution making such ratification should be promptly repealed and the amendment submitted to the people at the polls for acceptance or rejection.

3. That the democratic party of Pennsylvania is opposed to conferring upon the negro the right to vote, and we emphatically deny that there is any right of power to Congress to do so where to impose negro suffrage upon the people of this State in opposition to the will of the State in opposition to the will of the people.

4. That reform in the administration of the Federal and State governments, and in the management of the public affairs is imperatively demanded. 5. That the movement now being made for the amelioration of the condition of the laboring man has our most cordial cooperation.

6. That the legislation of the late republic Congress "outside of the Constitution," the disregard of the majority therein in the will of the people and safety of the laboring man, into exclusion from the Senate of Congress, the resolutions clearly evincing the disregard of military government in State and National affairs, are acts of tyranny and a usurpation of that right directly to the destruction of the public government and the substitution of a worst form of despotism.

7. That our soldiers and sailors who served the flag of our country bravely and courageously in our wars, and all the great sacrifices in their favor must be satisfactorily provided for.

8. Equal rights and protection for the colored and native born citizens of this State, and the assertion of American nationality, which shall command the respect of every citizen and furnish an example and encouragement to people struggling for national independence, constitutional liberty and individual rights.

9. That the present internal revenue and taxing system of the general government is grossly unjust, and in many respects is not adapted to cause a modification thereof.
