Planing Mill.

MILESBURG PLANING MILL, MACKAY & COMPANY, having leased the above named Planing Mill, and added largely to its facilities for turning out first class work, are now prepared to furnish:

FLOORING, BLINDS, SHUTTERS, DOORS, SASH, BRACKETS, SCROLL WORK, and manufactured lumber of EVERY DESCRIPTION at the LOWEST CASH PRICES.

All manner of work, such as Scroll, Sawing, Mouldings, Brackets, etc., made after any DESIRED PATTERN, on the shortest possible notice.

This company is composed of practically mechanics and Samuel Adams, one of the Co., has been foreman of the Bellefonte Planing Mill since its commencement.

Connected with the mill, and in operation at all times, is one of the latest improved COKE DRYING KILNS, which leaves the lumber in a perfectly healthy state, assists in preserving it, and in fact adds to its lasting qualities, while other methods of drying deteriorates it, and renders it more liable TO DECAY AND WASTE.

Lumber dried in a Coke kiln, is dried perfectly, and when worked and set up, will not SHRINK AND SHRINK, thus giving buildings the appearance of having been erected out of Green Material. We know that our facilities give us every advantage over other Planing Mills in this Section, and we feel perfectly free in saying, that all our Work will be Guaranteed, to be of A SUPERIOR QUALITY.

We will furnish anything in our line from a door panel, to a WHOLE HOUSE, and at such prices as cannot but prove to be an inducement to THOSE DESIRING TO BUILD.

All orders promptly filled and a fair share of public patronage, respectfully solicited. MACKAY & COMPANY, v14029-10 Milesburg, Pa.
