**NEW CHANGE IN AN OLD FIRM**  
 The undersigned adopts this plan of informing his numerous friends and customers, that he has made arrangements to enable him to do a more complete business in Bellefonte. I have for the whole of that time been one of the most extensive grain dealers in the place. I have always taken the greatest care to secure my customers. I have always sold as good and as cheap goods as any other merchant in town, and it is my intention to continue to do so. I have added the name of my son, **D. M. WAGNER & SON,** to the firm. Hereafter, or from the 1st inst. the business will be conducted in the firm name of  
**D. M. WAGNER & SON.**  
 I will increase the stock, will continue to buy grain, and to accommodate customers in every possible way. I invite my old customers to continue with me, and those that the people of Centre, Clearfield and adjoining counties will find it to their advantage to deal with.  
**D. M. WAGNER.**

We will in a few days receive from Philadelphia and New York the largest and best stock of wool and cheap stock goods ever offered in Bellefonte. Our stock will be large, and my intention to add to it from time to time. Everything wanted by heads of families or farmers or others will be found in our store. We are not content with our own stock, we have engaged the STURGEON ROOM, one story with the new room will extend back to the best-beloved on both sides and constantly supplied with the best of goods.  
 We most respectfully invite the people of Centre and adjoining counties to favor us with their patronage, and with their trade.  
 The highest market price will be paid for grain and all other kind of grain IN CASH. Country produce taken at the highest price in exchange for goods.

 "A constant use of the Universal Clothes Wringer for more than four years in our family. **THE DEXTER CLOTHES WASHING MACHINE**  
**THE BEST WASHING MACHINE IN THE MARKET!**  
 Having purchased the exclusive right to make and sell this superior machine within the counties of Centre, Huntingdon, Clearfield, Union and Clinton, the proprietors would call the attention of the public and  
**ESPECIALLY THE LADIES,**  
 to its many advantages.  
 It performs the work better, making the clothes bleached white, and it does so in less time than can be done by hand; because steam and the rapid motion of hot water rubbing the clothes, with the slight rubbing performed by the cleaning process, which could not be done by ever so much rubbing by hand on the common wash-board.  
 It does not injure the cloth; it saves it. A shirt from 12 to 14 years can work it; and operating it is a beautiful exercise for the body. It is, beyond a doubt, the most complete labor saving machine for the household ever invented—simple, durable, effective, cheap, and therefore accessible to every family.  
 And also SHERMAN'S PATENT CLOTHES WRINGER, the best in use.  
 These machines are manufactured at the Bellefonte Planning Mill, and all inquiries should be addressed to
