THE BEST WASHING MACHINE IN THE MARKETS.

ESPECIALLY THE LADIES,

co its many advantages, it is many advantages, it is performs the work notice, making the clothes a bleached white, and in as least one-forth the time than can be done by hadd; because steam and the rapid motion of hot waser strough the clothes, with the slight rubbing, performs the cleaning process, which could not be done by ever so much rubbing by hand on the common washboard.

It does not injure the cloth; it saves if. A clid from 12 to it years can wark it; and operating it is a healthful exercise for the body, it is, beyond a southstation for the hopebola ever invented—simple, durable effective, cheap, and therefore accessible to every family.
