TO UNPATENTED LAND OWNERS.—Having in our possession a full copy of the Land Lien Docket for Centre county of Surveys returned and unpatented, also warrants issued upon which no returns have been made, we are prepared to obtain *patents* from the Commonwealth for unpatented land within the county. Persons who have applied for warrants would do well to see that they are surveyed and returned at once. Where two or more owners claim parts of tracts which have been regularly surveyed, and returned, a survey and return of each lot must be made before a patent can issue. We are prepared to draw up all writings, do all surveying, &c., that may be necessary to procure patents from the Commonwealth.
