WA HING MACHINES.

DOTY'S WASHING MACHINE. LATEST MODEL IMPROVED-AND THE NEW UNIVERSAL CLOTHES WRINGER.

Improved with Rowell's Patent Double Oscillating and the Patented Bro. are now unquestionably far superior to any apparatus for washing clothes ever invented.

Those who have used them give testimony as follows: "We use our machine much; could not be persuaded to be without it, and with the aid of Doty, we feel we are masters of the position."

"It is worth one dollar a week in any family." "N. Y. Tribune." "In the laundry of my house there is a perpetual thanksgiving on Mondays for the invention."

"Every week has given it a stronger hold upon the affections of the inmates of the laundry." "N. Y. Observer." "I heartily commend it to economists of time, money, and contentment."

"Friend Doty-Your last improvement of your Washing Machine is a complete success. I assure you our Machine after a year's use is thought more of to-day than ever, and would not be parted with under any circumstances."

"Your Washing Machine has been in daily use in our laundry, and the housekeeper expresses herself as highly pleased with it. It certainly accomplishes a greater amount of work with less labor, and does not wear the clothes near as much as the old-fashioned wash-board."

"After a constant use of the Universal Clothes Wringer for more than four years in our family, I am authorized by the powers that be to give it the most unqualified praise, and to pronounce it an indispensable part of the machinery of housekeeping. Our servants have always been willing to use it, and always have liked it."

PHICES.-A FAIR OFFER. Send the retail price, Washer \$14, Ext. Wringer \$20, and we will forward either or both machines, free of freight, to places where a man is selling, and where we are well liked, that we agree to refund the money if any one wishes to return the machine free of freight, after a month's trial, according to the receipt.

No husband, father or brother should permit the drudgery of washing with the hands, fifty-two days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer, and a Universal Wringer.

Canvassers with exclusive rights of sale make money fast selling them. Sold by agents generally, to whom liberal discounts are made.

R. C. BROWNING, Gen. Agent, 14-42, 82 Cortland St., New York.
