Washing Machine.

THE DEXTER CLOTHES WASHER

THE BEST WASHING MACHINE IN THE MARKET!

Having purchased the exclusive right to manufacture and sell this superior machine within the counties of Centre, Huntingdon, Clearfield, Union and Clinton, the proprietors would call the attention of the public and

ESPECIALLY THE LADIES,

to its many advantages.

It performs the work better, making the clothes a bleached white, and in at least one-forth the time than can be done by hand; because steam and the rapid motion of hot wate through the clothes, with the slight rubbing *performs the cleansing process*, which could not be done by ever so much rubbing by hand on the common washboard.

It does not injure the cloth; it saves it. A child from 12 to 14 years can work it; and operating it is a healthful exercise for the body It is, beyond a doubt, the most complete labor saving machine for the household ever invented—simple, durable, effective, cheap, and therefore accessible to every family.

And also SHERMAN'S PATENT CLOTHES WRINGER, the best in use.

These machines are manufactured at the Bellefonte Planing Mill, and all inquiries should be addressed to
