He will give you a descriptive pamphlet, which truthfully sets forth its many advantages over every other machine in the market. We propose to briefly state below some of its good points and as we mean straight forward business, we hereby agree that if you will examine the machine closely, and then find that any one single statement that we make is untrue, we will ask you to pay the balance or even make it a trial. As we were unable to supply the demand for the past three years we advise you to call soon and examine the only CHANGABLE MOTION MACHINE in the world from feet to slow or fast without stopping the machine.
