ADDRESS
TO THE
NERVOUS AND DEBILITATED,
WHOSE SUFFERINGS HAVE BEEN PRO-
TRACTED FROM HIDDEN CAUSES,
AND WHOSE CASES REQUIRE
PROMPT TREATMENT,
TO RENDER EXISTENCE DESIRABLE.

If you are suffering, or have suffered from
mysterious discharges, what effect does it
have upon your general health? Do you
feel weak, debilitated, easily tired? Does a
little extra exertion produce palpitation of the
heart? Do your liver, urinary organs, or
your bowels frequently get out of order? Is
your urine sometimes thick, milky or foamy,
or is it very strong smelling? Or does a thick, slimy
mucus exude from the top? Or is a sediment at the bot-
tom after it has stood awhile? Do you have
shortness of breath or dyspepsia? Are
you easily fatigued? Do you have spasms
of the rectum of blood to the head? Is
your memory impaired? Is your mind con-
stantly tormented by thoughts? Do you feel
an intense desire to sleep? Do you feel
inclined to be left alone to get away from
everybody? Does any little thing make you
irritated? Is your sleep broken or rest-
less? Is the sight of your eyes brightened?
Is your complexion healthy? Do you
concern yourself with society as well? Do you
pursue your business with the same energy?
Do you feel as much confidence in your life?
At your spirits dull and flaccid, even to
the point of listlessness due to the loss of
energy? If you have lost rights?
Are you weak and have but little appetite,
and are attribute this to dyspepsia or liver
disease?

No wonder self-abuse, vexed diseases
increased and vexed excesses prevail over
the long weariness of the comparative
rest of the organs of generation when im-
paired, and make the man. Deliver ever
from such a hold, delirious energies, per-
severing successful businessmen are always
those whose generative organs are in perfect
health. You never feel such a complaint
of any kind of diseases of palpita-
tion of the heart. They are never afraid they
cannot run a business, they do not fear
set-backs, they are always polite and
pleasant in the company of ladies, and look
with a smile in the face, none of your
down-looks or any other impudence about
them. Do not me or those who keep the
generations to running to excess. These will
not only ruin their constitutions, but also
those they do business with or for.

How many men, from hasty carelessness,
from the effects of self-abuse, and excesses,
have brought about the state of weak-
ness that has reduced the generative
system so much as to induce almost every
disease, infamy, insanity, paralysis, suicide,
factions, suicide, and almost every other form
of disease which humanity is heir to, and the
cause of the trouble scarcely ever ceases
and have doctoring for all but the right or

health and happiness, and that of our posterity,
depends upon prompt use of a reliable remedy.
