

Helmbold's Column.
ADDRESS TO THE NERVOUS AND DEBILITATED,
WHOSE SUFFERINGS HAVE BEEN PROTRACTED FROM HIDDEN CAUSES, AND WHOSE CASES REQUIRE PROMPT TREATMENT, TO RENDER EXISTENCE DESIRABLE.

If you are suffering, or have suffered from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Do your liver, urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or floaky, or is itropy or settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnoea? Are your bowels constipated? Do you have spells of fainting, or rush of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, mooping, tired of company, of life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the luster of your eyes as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those bold, defiant, energetic, persevering, successful business men are always those whose generative organs are in perfect health? You never heard such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any other meanness about them. I do not mean those who keep the organs inflated by running to excess. These will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about the state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idleness, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to—and the cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

DISEASES OF THESE ORGANS REQUIRE THE USE OF A DIURETIC.

HELMBOLD'S FLUID EXTRACT BUCHU

is the great diuretic and is a certain cure for diseases of the BLADDER, KIDNEYS, GRAVEL DROPSY, ORGANIC WEAKNESS, FEMALE COMPLAINTS, GENERAL DEBILITY.

and all diseases of the urinary organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of our posterity, depends upon prompt use of a reliable remedy.
