SEDIS NORI—Is neither Greek nor

Latin, but is simply the transposed

name of an institution that has become as in

initial as household words—and has reference

directly to that

so appropriately named the

"The old original 'Iron Sides'—Man of war—

other establishments in the country. Being

now permanently located at

PHILIPSBURG,

armed and equipped for the full trade and

with a determination to undersell all smaller

concerns in respect to quality, your order

will be promptly attended to.
