Stoves and Tinware.

SEDIS NORI—Is neither Greek nor

Latin, but is simply the transposed

name of an institution that has become as fa-

miliar as house hold words—and has reference

directly to that

MAMMOTH HARDWARE ESTABLISHMENT

OF

G. S. FLEGAL,

so appropriately named the

IRON SIDES.

The old original "Iron Sides"—Man of war—

was built in 1860 and combat—two promi-

nent features characterizing the modern ma-

chine—in that, it is

"UP TO THE TIMES"

and does deliver heavier blows at longer

range in the shape of

STOVES,

TIN,

COPPER,

SHEET IRON,

and HARDWARE,

besides ten thousand other articles than any

other establishment in the country. Being

now permanently anchored at

PHILIPPSBURG,

and equipped for the full trade and

with a reputation to make all smaller

shops he respectfully solicits your order.

ESTABLISHED 1851

Highest Premium Silver Medal

awarded over all competitors
