-We find the following complimentary notice of the Institute held those taken by daylight. Those who here and of Prof. Magee, our able Superintendent, in the last issue of The the whole structure time or opportunity to have it done by | Educator and Pennsylvania Teacher, published in Williamsport

published in Williamsport The Coverse Couver Issurance --It was our for me and pleasure to speed a day at the Centre county Institute, hald at Bellefonte, becember as to The teachers of this county to as a body to this Institute. They were all there, 100 per error of them. They were not only there, but may participated in the exercises. They, ame forward voluntarily and engaged with a will in the work. We have addition seen such they of active, intelligent teachers as are hose of Centre county. Centre county has a new Superintendent. Mr Mague is the very man for the position which he so honorably man. For the position which he so honorably ive superintendent. Mr Magee is the very man for the position which he so honorasly tills. Much of the zeal of the teachers is ro doubt attributable to their live Superintendent Magee. We shall publish an abstract of the proceeding of this institute in the next num be

-Coffins of all styles and prices will be found at O'Bryan's furniture store opposite the Court House.

---- The Lewisburg Chronicle thus peaks of the prospect of the "speedy completion" of the Lewisburg, Centre

County and Spruce Creek Railroad County and Spruce Creek Railrond We are happy to announce that at the recent meeting of the Board of Directors of the L. C & S. C. R. R. Co, held at the Pennia R. R. of free, in Philadelphia the President was author rived, as soon as the location is completed, to advecting for the letting of the heavy work in the monitants between Union and Centre counties, so that the work may be prosecuted with energy this winter. It is expected that in the spring a large portion of the balance of the work will be put under contract. We can say to improvement men at last, that this, work desired enterprise is now about being pished to a speedy completion in despite of i rokkers,

It has finally theory eletery

of time was come, God sent forth his Son, made of a Woman," taken from the 4th chapter of Galatians 4th verse,

which produced a good feeling and made a deep inpression. After he closed his discourse, in his more than musical voice, he arrounced the startling fact. Lowed for an hour and a half as successful solicitation (begging) is a congrega-tion ever witnessed or for The result, however, was very gratilying and en-couraging, and when the announcement was made that six thousand dollars were raised, the audience smiled and breathed In the afternoon at 3 o'clock freely. In the afternoon at 3 o'clock a children's meeting was held, at which two hundred dollars were promptly raised, chiefly by the little folks of the Sunday School, one hundred of which vere given on a proposition to make Grace Bently Dashell, daughter of the Doctor, a life member of the Philipsburg  $M \in S S$  [Grace will no doubt appreciate the honor, being a six monther One thousand dollars were then left for the evening, which, after a sermon of great interest, addressed more especially to the young men, by Dr. Dashiell, was raised quite promptly. During the day a spirit of rivalry manifested itself between the Young Men's Christian Association, of Philipsburg, and the Chour of the M E. Church, as to giving which was accompanied with r deal of ambition After each, as a body, had given between four and five hundred dollars, and each was determined to out-do the other, and there remained only about a hundred and eighty dollarposed in thod of conducting the to raise, two of the brethren. Messre is to dryide the capital stock in E. Perks and C. Munson, who had taken What have the Snowshoe overseers to into the hall, where they succeeded in to 100 shares of \$100 each, one quarter sides, the former in behalf of the young say to this? We advise them to look rooms a couple of floor boards and got of which is to be paid down for a fund men and the latter in behalf of the choir, men and the latter in hehalf of the choir stepped forward and compromised by making the amounts given by each equal M C A at the time being fif-(the Y en dollars ahead), and assumed the

balance The dedicatory services were then performed and the church dedicated, free from debt. Immediately after a very and some and elegant silver communior ervice was presented to the church by Mrs. Susan Kessler

The church is a very neat and well finished edifice The audience chamber s comfortable and commodious, seating about six hundred persons. Its walls and ceiling beautifully frescoed, and the church is brilliantly lighted with gas.

manufactured exclusively for it. The sulpit is near and modest, with good finish The gallery is a beautiful speci-men of architecture of elegant design, and might be denominated the brhate of

The entire cost of the church was about sixteen thousand dollars, one thou-sand of which was raised by some of the good belles, to furnish the church with a bell, carpet and furniture The citizens of Philipsburg may feel comewhat broud of their recent church history, as they have erected four new ones, within the last three years, the last being the finest and most costly The suble spirited-ness, zeal and energy with which they have prosecuted these enterprises to successful completion, is decidedly encouring evidence that a reformation of the place is not altogether hopeless. OBSFRVER

For the Warmass --On last Friday, just after the morning train had left the Milesburg depot for Bellefonte, and crossed the bridge over Bald Eagle crock, a boy about eight years of age, son of a Mr Brown, of Port Matilda, jumped off the cars while they were going at full speed Consequence, a badly bruised and cut leg. The lad had come down on the morning train in company with his OF ALL KINDS, mother, who stopped off at Milesburg, and placed her son along on the train BEDSTEADS, TABLES, CHAIRS, for Bellefonte at which place his uncle lives, whom he was going to see. The lad escaped miraculously, as the injury proved to not be very serious, and when questioned, gave as a reason for his jumping off the cars, that he would have no money to pay his fare back. The case presents a warning to parents, that

an not be too cau

the opening of spring we suppose a much fuller investigation will be given the matter, than has heretofore taken place. We hope copper may be found in abundance and of the bost quality .- Muney Luminary.

Dunham, Esq., has, we understand, severed his connexion with the <i>Bellefonte Republican</i> , in which sanctum he has for some time officiated as assistant editor. Mr. Dunham is an easy and weit untoum- ed writer, and had really given the <i>Republican</i> some little character. We santhose, now that he has withdrawn,	spell, which held them in extatic bliss, with a hearse-like ejaculation of "ticket, sir " The romark was addressed to the excited and flushed bridegroom, who, after fumbling in his pockets in an ab- stracted manner for soveral minutes, handed to the conductor what he sup- posed to be his ticket, but what was in reality his marriage certificate. The conductor scrutinized it for a moment and handed it back remarking, "That's no doubt, good for a ride, but not on this road, sir." ——A social hop came off at Meek's Hisil, on Monday night last, which was a very pleasant occasion. The ladies were captivating, the gontlemen gallant, and the dancing graceful and spirited. Good music and light hearts conspired to make it an occasion long to be re-	Model Book Storp. ————————————————————————————————————	the stable by the race road 	von hul it one per cent less for cash 1 also insure all kinds of property in Mutual and Stock Co's., from 3 months to five years. Inace Haupy Died. ELSE_At Milest urg, of consumption, on the 7th inst, Mr. John F. Else He was born in Balona, Clinton county, Aug 31st 1838. He leaves a wife and one child, His last days wore cleared by the presence of a number of his friends and lored ones, who wisited him during his sickness until after his death. In his case the power of religion to comfort in sickness and to take from death its sting, was fully realized. His end was per- fect peace. J. W. C.
