revealed. He stands to day before the world, a monster of moral deprayity His place and position may enable him Charpenning --- Cresswell --- Cessna. to compet the just punishment of his crimes here, but there is a "beyond where his Radical friends, although the majority,' will be of but little use to him Loyalty will not save him there His consummate rascalities will not clevate him there as they do in the estimation of his Republican friends. The hypocrite will be unmaked and stand before, the world and the hosts of

The Next Presidency.

The Philadelphia Day, one of the shrewdest and best papers in the country, which professes independence politically, but which nevertheless has decide l Radical leanings, has an artibeen perpetrated by a private citizen, dency" which we here append. It and Orwstean and Ritas, radi

> The New York World elects a dem weather president in 1872, by a majority of thirty two efectoral votes Tribine, in a late table, elected a publican by thirty-two votes (not twenty two as we inadvertently stated,) which is a remarkable coincidence. The World claims for its party the

States of Alabama California, necticut, Delaware, Georgia, Indiana, Kentucky, Maryland, Missouri, Nevada, New York, North Carolina, Pennsylvania, Tennessee, West Virginia and Virginia, and entertains lively hopes of Florida, Texas and New Jersey, also, which States would add fifteen electoral votes to the thirty two claimed for certain.

Bit, then, some of those claimed by the World as sure for the democracy may go for the republicans Pennsylvanue and Nevada, for instance Connecticut may be regarded as slightly uncertain, and Ir diana and Oregon are somewhat "ticklish

On the other hand, however, the renublicans may possibly fail to carry New Jersey, Texas, and Florida, and such a revolution may occur in Mississippi, South Carolina, and Louisiana as Tennessee, North Carolinia and West Virginia Arkansas, the World does frand. Frequently presented to suc the vote of that state for 1870 has not

yet been declared.

It is very difficult to foretell, nearly two years in advance, which party will triumph in the next presidential election, but it is significant of close work when the two leading representative papers of the two great parties both cy-pher out results favorable to their repeective sides There is enough in at stould be a good card for them to horses ploughs, wagons and farm in the right man in the right place. To this fact, and the fact that the Tribune claims only thirty-two majoraty for its play. This is one of the ways by plements to properly cultivate their him all games of chicanery are family which the present administration fields, the county should establish a part. Utterly destricted for principle he loss of Pennsylvania, claimed by the test leagues and the present administration fields, the county should establish a part. Utterly destricted for principle he loss of Pennsylvania, claimed by the results and detection true ends sought

It is generally acknowledged by the dates or measures, but will be account shrewdest republican leaders that danger threatens their party in 1872, unless their measures meanwhile prove may an colour electing certain persons peculiarly popular and unless the dem. , in defence of the popular will. whose sext a Radical saw fit to contest forming politicians prove as impolitic fever destroys the simplicity of the election of Radical as they did in 1868. Many wise restrong practimetry opens the door to fraud. are shrewd and nominate some conare shrewd and are surewed and nominate some conservative man with a good war record, honest men of every party. "Cumulaand general good character for intellative voting," and other systems like
the above, which are not rendily to be

The above is above, which are not rendily to be
the above, which are not rendily to be
the above, as Judge.

The above is above in the above is above in the abov General Grant as its caudidate, will unajority. Plain as the exstem now is find the presidential campaign of next there is quite too much of portunity vear a pretty difficult road to travel with success.

If however, the democrate repeat their folly of '68 the republicana ex pect an easy victory. Whether the democracy will act on this hint remains to be seen. The World possibly has a foreknowledge of whom its party will nominate, and what sort of platform it will adopt. That journal, if sincere in making up its presidential table for 1872, must feel well assured that its party will act with shrewdness and discretion. We shall see.

ceeded to contest the seat of Mr. Myrks resident of Lancaster, died suddenly on about 50 years of age, and was a talented man and most estimable citizen. He was formerly a member of Con-

Supplies for France and Germany.

On Saturday last there was some discussion in the Senate at Washington in relation to a joint resolution introduced by Mr. Powerov, "requesting the President to detail at New York one or more national vessels to convey to France and Germany such supplied as may be furnished by the people of the United States for the destitute people of France and Germany." Senator How ARD, him of the Freedman's Bureau notoriety, suggested that Germany did not need our assistance, and moved to strike out all reference to recognizances shall herestler be paid perjury and Crissa wants to profit by Germany. He thought it a very queer condition of affairs, at any rate, for us to be sending supplies to those peo ple. No European nations, he said, The effort to repeat this JoB may, Jone Classes is the man to make the had sent us supplies when we ware at

Mr. Stewart thought the sympathics for pois-hol scoundred who hires him to of a large portion of our people were with Germany, and said that a large that hold . If tryper a correct the to the tracks of CESSNA are now being amount of supplies had been contribu-

Mr Conkling thought there was nothing that should make us discriminate in fivor of Frince

Mr. Fowler said that we were under no obligations to Germany

Measra Casserly and Sumner depre cated such a discussion upon the sub ject of a great and noble charity.

It is the duty of all christians to re lieve distress wherever it may be found and we believe that the means raised for the relief of the sufferers by the war, in France and Germany, should be forwarded in some way to their destinations. This is not a question of national preference, but of wide extend ed charity. We hope to see We sup plies go forward

APPORTIONMENT Steps toward the apportiontment of the State have been taken in both houses of the Legislature at Harrisburg Some time last week the speaker of the senate announced the apportioniment committee of that body It is Diff. Davis, Deckert, cle in a late issue on the "Next Press Atturiour and RANDALI, democrats, cals. In the House the committee was announced on Tuesday last, and consists of Elliot, Hewelley's, Strong SHURIOCK, SMITH, FULTON, REINFOHL, BLCK and HEWIT radicals, and CHAL FANT, MARK, HARVEY and Boileau, democrate

> --Our thanks are due to Adjutant General Russell for a copy of his an nual report. The Adjutant thinks the military condition of Pennsylvania is not flattering. This, however, is rath er cause for congratulation than regret. We have had about enough of military within the last few years to do us for some time

HUMBIGGING WITH THE BALLOT. The State Senate has passed a bill to regulate future elections of school directors in this Commonwealth. It provides that -

--whenever two or more persons are to chosen in a district for the same term of tree, as h voter may give all his votes too more candidates, as he shall think bt, and candidates highest in the votes shall be the proper district who shall have vi the director whose place is to be filled

It also provides that It also provides that

whenever a voter shall intend to give more votes than one to my candidate for director, the shall express his intentions distinct y an elearity upon the face of his ballet otherwise bit one vote shall be counted and allowed to such candidate, but any bolt which shall contain or express a greater number of votes than the whole number to which the voter shall be enabled shall be rejected.

The tendency of such legislation is to complicate the progress of voting and so confuse and disgust many volere. It will enable political co-World -when taken in connection with the result of the elections in 1870, to be obtains will no lor show the true and to the ballot.
