

**JIM BLUDSO,**  
(OF THE PRAMER BELLE.)

Well, no! I can't tell what he lives,  
Because he don't live, you see;  
Leastways, he's got out of the habit  
Of livin' like you and me.  
What have you been for the last three year  
That you haven't heard folks tell  
How Jimmy Bludso passed in his checks,  
The night of the Prairie Belle!

He weren't no saint—them engineers  
I call pretty much alike—  
One was by Natchez on the Hill  
And another one home in Pike,  
A careless man in his talk was Jim,  
And an awkward man in a row—  
But he never flinched, and however tied,  
I reckon he never knowed how.

And this was all the religion he had—  
To treat his engine well.  
To mend the boiler on the river,  
To mend the pilot's bell,  
And if ever the Prairie Belle took fire—  
A thousand times he swore,  
He'd hold her nose against the bank  
Till the last spark got ashore.

All boys has their day on the Mississipp,  
And the day come at last—  
But the Belle she wouldn't be passed  
And she come tearn' along that night—  
The oldest craft on the line,  
With a bigger square on her safety valve,  
And her fumes examined, rosin and pine  
Through the hot, black breath of the burn.

Through the hot, black breath of the burn  
The Belle she come at last—  
And the Belle she wouldn't be passed  
And she come tearn' along that night—  
The oldest craft on the line,  
With a bigger square on her safety valve,  
And her fumes examined, rosin and pine  
Through the hot, black breath of the burn.

Through the hot, black breath of the burn  
The Belle she come at last—  
And the Belle she wouldn't be passed  
And she come tearn' along that night—  
The oldest craft on the line,  
With a bigger square on her safety valve,  
And her fumes examined, rosin and pine  
Through the hot, black breath of the burn.

Through the hot, black breath of the burn  
The Belle she come at last—  
And the Belle she wouldn't be passed  
And she come tearn' along that night—  
The oldest craft on the line,  
With a bigger square on her safety valve,  
And her fumes examined, rosin and pine  
Through the hot, black breath of the burn.

**A New Catechism.**—Whom did Adam marry, and when did he marry her? One Eve.

What was her bridal dress? Barely nothing.  
Not even a ribbon? No; she had no need of one, she was a rib bone herself.  
When Adam and Eve were in the garden, what time did they commence picking apples? In the fall.  
Why did not Cain make good sugar? Because he wasn't Abel.  
Spirit as well as sugar comes from cane; what evil resulted from Cain's spirit? Abel got slewed.  
What reason have we to suppose that Cain also got slewed? He went immediately to the land of Nod.  
Who was the wisest man? Know-er.  
What did he know? He knew enough to go in out of the rain.

**Miscellaneous.**

**PENN HALL ACADEMY.**—The spring session of this Classical and Normal Institution will commence on Monday, April 20th, 1874, by continuing one week.
