Stoves and Tinware.

SEDIS NORI - Is neither Greek nor Latin, but is simply the transposed name of an institution that has become as familiar as household words - and has reference directly to this:

MAMMOTH HARDWARE ESTABLISHMENT

OF G. S. FLEGAL,

so appropriately named the IRONSIDES.

The old original "Ironside" - Man of war - was swift in action and combat - two prominent features characterizing the modern name - sake - in that, it is

"UP TO THE TIMES" and does deliver heavier broadsides at longer range in the shape of

STOVES, TIN, COPPER, SHEET IRON, and HARDWARE,

besides ten thousand other miscellanea, than any other establishments in the country. Being now permanently anchored at

PHILIPSBURG,

armed and equipped for the full trade, and with a determination to undersell all smaller crafts, he respectfully solicits your order.
