

THINGS ABOUT TOWN & COUNTY

Go and get Registered. To-morrow, Saturday, is the last day.

Zimmerman's have a nice new sign, which tells the people that they are the place to buy the celebrated Singer Sewing Machine.

The County Fair will begin on Tuesday next. Preparations have been made for the comfortable accommodation of all who may come, and there will doubtless be a large turn-out of the people.

Our good Democratic friend, Benj Roush, of Brush Valley, has a potato stalk 54 feet in height, from which he took 176 potatoes, ranging from the size of a hickory nut to that of a goose egg.

The most prolific potato that we know of is a Texan variety, of which Capt Martin Dolan, of Milesburg, has given us one, as a specimen.

A painful and serious accident occurred to Mr. James S. Somerville, of this place, on Monday last. While raising a stack of timber at the new round house, it fell somehow and struck him on the back of the head, breaking the skull and knocking him senseless.

The venerable Jacob Pottgrove, formerly Commissioner of this County and familiarly known as "Pappy Pottgrove," died at his residence in Unionville, on Monday night, of typhoid fever.

Our enterprising friend, Mr. Jake Miller, of the Pleasant Gap store, is now absent in Philadelphia laying in a handsome stock of goods for the fall and winter trade.

In company with the editors of the Republican and Christian Union, we took dinner last Friday at the Bush House by invitation of Mr. Lowrie, one of the proprietors of that elegant hotel.

Our friend, Mr. Peter McMahon, the accomplished boot and shoe maker on Bishop Street, next door to the "Red Collar" harness establishment, is turning out some of the nicest kind of work now-a-days.

We acknowledge the receipt of a fine pumpkin from Mr. E. D. Owens, of Liverpool, Perry county, on Saturday last. This pumpkin is two years old, and is large and well grown.

We saw Dr. Brown the other day, in a crowd which he knew was not a betting crowd, shake a pocket-book, full of uncollected subscription accounts, in their faces, offering to bet one hundred dollars that the Radical ticket would be elected in Centre county.

We are pained to chronicle the death of Mr. William Shrock, brother of Mr. Benjamin Shrock, and son-in-law of George Livingston, Esq., of this place, on Monday night last, about half past eleven o'clock.

Mr. Shrock was a most estimable citizen; an honorable upright man, and a consistent member of the Methodist church. General regret is felt at his sudden death, but there is every reason to believe that he has made a happy exchange.

MR. HOLMES, editor of the Tyrone Blade, was a visitor to our sanctum on Monday morning. The Blade has lately done a political garb, and now advocates the election of John Dean, Esq., to the President's Judgeship.

COL. ROBERT MCFARLAND, the Radical candidate for Assembly, was in town on Monday. Also, B. F. Liggitt, one of the nominees of the same party for Associate Judge.

Just received a full stock of heavy cheap gents, ladies and children's cotton and woollen hose, gloves, &c. Corsets, handkerchiefs, new style ladies bustles at G. B. Priest's.

KNIGHTS TEMPLAR.—The Grand Encampment of Knights Templar of the United States met at Baltimore on Tuesday, the 19th instant, and continued in session until the 23d inst.

The large number of prominent men who are connected with this order and the magnificent display of well trained men dressed in rich regalia who attend these meetings render them of peculiar interest.

Over one hundred Commanderies were in attendance at Baltimore, almost every State in the Union being well represented, and all this vast body of men were entertained with a princely hospitality of which that city may well feel proud.

Constans Commandery No. 33, of Bellefonte, was represented by about fifty of its members, and their Knightly bearing, faultless equipment and correct drill, elicited much favorable comment from the entertaining Commanderies, Press and citizens.

A full report of this visit will appear in next week's paper.

DIED.

LIANESSEN. In Bellefonte, on Sunday morning, the 23d instant, Mrs. Elizabeth Lianessen, wife of George Lianessen, Esq., in the 54th year of her age.

The subject of the above notice, was a very great sufferer, owing to the nature of her disease, and she seemed to suffer almost to the last degree of human endurance, but, being enabled to look to Him who is the Lord our Righteousness and the Lord our Strength, she bore her intense suffering month after month, and year after year with meekness, patience and resignation, frequently saying in the fulness of her heart "The will of the Lord be done." Her end was peace.

THE GREAT RADICAL SYNDICATE!

THE NATION ROBBED BY THE MILLION!

Tax-payers Look at The Figures!

Steal Upon Steal and Theft Upon Theft!

The accounts of the Post Office Department shows a balance unaccounted for of NINETEEN MILLIONS OF DOLLARS!

The accounts of the Treasury Department shows a balance unaccounted for of over TWO MILLIONS!

U. S. Treasurer SPRINGER fails to account for bonds that have passed into his hands to the amount of THREE MILLIONS!

By hoarding gold in the Treasury and paying interest on bonds to an equal amount the people lose more than SIX MILLIONS annually!

ONE MILLION of the people's money was stolen by a government attaché from the wrecked steamer Golden Rule!

THREE MILLIONS missing on account of sale of iron clads to Peru!

ONE MILLION missing on account of sale of iron clads to Peru!

Upon bonds deposited by bankers to secure their issues the people pay an interest of TWENTY MILLIONS, which might be saved by issuing greenbacks in their stead!

W. L. Hodge, a paymaster at Washington, has recently proven a defaulter to the amount of HALF A MILLION TO A MILLION of dollars!

Baily, a New York revenue collector, stole near ELEVEN HUNDRED THOUSAND dollars and then ran away!

Recently Mr. Norton, of the New York Post Office, proved a defaulter to the amount of TWO HUNDRED THOUSAND DOLLARS, and other defalcations in the same office exist.

A Kansas revenue collector recently stole over A HUNDRED THOUSAND dollars, and the Radical Senators from that State settled the whole claim with the department at Washington for seven thousand!

The other defalcations of revenue collectors amount to MILLIONS!

The Radical Postmaster at Atlanta, Georgia, has just been detected in a defalcation of THIRTY THOUSAND dollars!

Geo. G. Evans, State War claim agent of Pennsylvania, has stolen THREE HUNDRED THOUSAND dollars, as a compensation for cheating the Federal government out of MILLIONS!

GEMS OF RADICAL REFORM.

Radical journals are constantly reminding the people that their is the party of morality, economy, honesty and reform.

The leaders of the Radical party are daily reiterating that they are going to inaugurate an honest government, but corruption has been on the increase for ten years.

General Whittaker, Postmaster at Hartford, Connecticut, embezzled \$100,000 of government funds, and the decent Republicans of the State wanted him turned out of office.

Assistant Postmaster John W. Norton, of New York, a most excellent Radical, determined to carry out the reform principles of the Radical leader, and thereupon stole \$115,000 of the public funds.

George O. Evans, one of the most accomplished Radicals in the State of Pennsylvania, was appointed Special Agent of the State for the collection of war claims.

That unblemished Radical Postmaster J. L. Hodge, not to be taken his compatriots, concluded to appropriate \$50,000 of Uncle Sam's cash, which he did in the most artistic style.

Civil Service Reform has grown to be an absolute necessity. No man recognizes the truth of this more fully than Mr. George Chapman.

Believing that "a man of work and not of deeds," was the corner part of a sluggard's garden, he made out an account to the amount of \$20,000 for services as a mail carrier which he had never performed.

Now singing the praises of reform, and insisting upon Grant's re-nomination, as none but a reformer and a shining light in the Radical party can do, George still expects to realize handsome dividends upon his economy and reform stock.

The "Golden Rule" is not only liable to be broken now and then, but some times totally smashed.

Mr. Montgomery Gibbs, a bosom friend of the Presidential household, arranged the latter feat, some time since.

The government vessel of that name was wrecked and robbed of \$1,000,000 of United States treasure.

Shortly afterwards he purchased some magnificent dresses for the Mrs. President and the Misses Presidents and the Presidential sisters in law and female cousins.

Mr. Gibbs observed that reform was a failure in the civil and military service and concluded to introduce it into the navy.

Twenty Millions of dollars is a sum of money in Uncle Sammel's pocket, so the Collectors of Internal Revenue concluded that, inasmuch as he would not miss it, they would appropriate it to their own use.

They did, dividing it among each other in sums ranging from ten thousand to half a million dollars each.

Secretary Boutwell, to show his appreciation of their zeal, made out a list of them with the amount assigned to each and sent it to Congress with his compliments.

The exact footing of this little steal is \$20,700,983 33. Some congressional Democrats suggested the propriety of arresting the defaulter and making them disgorge.
