mentions that the water on the bar was 14 feet, and after a centuary and a half of constant changes in the shape and location of the bar, and much work in dredging it, it is now, as then, generally about 14 feet, except while the dredging machines are actually at work. A recent report of the United States engineer in charge of operations there furnish a curious instance of their futility. During several months of labor a channel had been cut with a minum depth of 18½ feet. A storm came on, and in a few hours entirely filled up this channel; but subsequent survey showed that during the same storm an unsual rush of water had torn a new channel in another locality, quite as deep and as navigable as the one constructed by dredging had ever been.

Facts About Population.

The Indian population of the United States is by the census reduced from 44,021 in 1860, to 25,731 in 1870. All the indications are for further diminution. The Chinese population numbered 34,933 1860, all of whom were in California. Now they are 63,254, of whom 49,310 are in Chfornia, and 12,000 more in the Pacific States. The Chinaman has found his way into nearly every State in the Union, but in no such numbers as to warrant alarm expressed last year as to the immense numbers who would come among us. The total number of immigrants of all kinds arriving in the United States during the year ending June 30th, 1871, was 321,350 of whom 190,428 were males. The number from England was 56,530; Ireland 57, 439, Scotland 11,984, German 82,554, Sweden 10,699

A GREAT MEDICAL DISCOVERY.

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS.

Hundreds of thousands bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, Spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life Giving Principle, a perfect Renovater and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy conpition No person can take these Bitters according to directions and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Billious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful Such diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Dyspepsia or Indigestion, Headach, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system

Bilious, Remittent and Intermittent Fever, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment a purgative, exerting a powerful influence upon these organs, is essentially necessary. There is no cathartic for the purpose equal to Dr J Walker's Vinegar Bitters as they will speedily remove the dark colored viscid matter with which the bowels are loaded at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs The universal popularity of this valuable remedy in regions subject to miasmatic influences is sufficient evidence of its power as a remedy in such cases

For Skin Diseases, Eruptions Tetter, Salt Rheum, Blotches, Spots, Pimples Pustules, Boils, Carbuncles Ring worms, Scald Head, Sore Eyes, Erysipelas Itch Scurfs Discolorations of the Skin Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters One bottle in such cases will convince the most incredulous of their curative effect

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores, cleanse it when you find it obstructed and sluggish in the veins, cleanse it when it is foul and your feelings will tell you when Keep the blood pure, and the health of the system will follow

Pin, Tape and other Worms lurking in the system of so many thousands, are effectually destroyed and removed For full directions read carefully the circular around each bottle, printed in four languages, English, German, French and Spanish J WALKER, proprietor R H McDONALD & CO, Druggists and General Agents San Francisco, Cal, and 32 and 34 Commerce street New York

THE NOVELTY CLOTHES WRINGER

Nothing except the Sewing Machine has ever been invented which so much relieves the labors of the household as the Wringer But its usefulness does not end here The saving of clothing is of much greater importance It is often remarked that articles of fine texture last twice as long when wrung in a Wringer as when wrung by hand The Novelty has Cog wheels on both ends The rolls are allowed to separate freely at either end These, besides other advantages which it contains seem to be so indispensable to a practical wringer —*New York Independent*

THE NOVELTY WRINGER—Has become an indispensable institution in thousands of families And we believe its great and increasing popularity is fully merited for the Novelty evidently possesses all the requisites of a first class practical machine Tested after using one for many months in our own family, we are prepared to endorse the Novelty as unsurpassed (the laundress says unequaled) by any of the several wringers previously tried—*Moore's Rural New-Yorker* Sold everywhere N B PHELPS & CO General Agents 19 Chamber st or, N Y 16-35 4w
