WHAT THE CHICAGO FIRE 1 ID. -- It is said that there is not a single indict ment left against any accused person in Cook county, Illinois, which is certanly a piece of good fortune for some rogues. But, on the other hand, the lawyers have suffered severely. Hardly a law library or law office is left; not a paper to show that there is a suit pending in any of the six courts of the county. Not a judgment, not a petition in bankraptes in the Federal county. And worse yet, so far as is known, all the records of deeds and mortgages are destroyed.
