BLOOD POISON.

Cases much suffering and is very difficult to cure. But by its great purifying powers Hood's Sarsaparilla has accomplished many remarkable cures in severe cases.

INTENSE HEAT AND ITCHING.

My skin peeled everywhere, my hair and whiskers came out, my finger nails came off. I had three different physicians, who succeeded in drying it up at times, only to have it break out again in spots and barns and lumps.

NEW SKIN WAS SOFT AND MOIST.

Then I bought six bottles for five dollars; took three bottles and was apparently well. But the next summer in warm weather, when I got my blood warmed up, the poisoning would come out again when I got a little warmed up from exercise.
