-The venerable John McGinley, the oldest resident of Milesburg, and probably of Centre county, died in that place last Monday at the age of nintyfour years and one month. He had been in feeble condition for a long time previous to his death. He leaves several children among whom are Mr. Green McGinley and Mrs. Bloom.

while Mr. James Cooper, with his wife and Mrs. M. Cooper, was driving up Beaver street, Philipsburg, his buggy came in collision with the buggy of a Mr. Weaver, of Osceola, which was standing in the street. The result was that Mr. Cooper's vehicle was overturned and wrecked and his wife was pitched to the ground with such force as to render her unconcious and injure her badly and strange to say, received but slight about the head and face. She was carried into the residence of Mr. C. Betchelor, and about 11 o'clock was taken to her home. Mr. Cooper and Mrs. Bowman escaped without injury. The crash | her body, and with the kindly assisfrightened Mr. Weaver's horses and tance of neighbors, a block and tackle they run away, wrecking the buggy.

-Last Friday morning Mrs. Robert McKnight, of this place, a lady well advanced in years, had occasion to go to Hunter's Station on the Buffalo Run Railroad, and went to the depot to take the 6 o'clock A. M. train for that purpose. By mistake she got on the Lemont train and did not discover it until platform of the car in which she was falling she broke the joint of her elbow her destination on the Buffalo Run train,

DEATH OF AN OLD AND PROMINENT CITIZEN-In the death of Wm. F. Thompson, which occurred at his home in Benner township, Friday, August 2, the community loses a valuable member, and a large circle of friends a binding link. His death will be mourned by all who knew him, for to them he was united by the warmest ties of friendship. Born near Franklinville, Huntington Co., March 6, 1808, his early life was spent in educating himself, governed always by the limited opportunities with which a youth of that early period was favored. One of his first occupations was that of teamster, and some of his experience while driving through the then unsettled portions of his native county were very interesting to hear. He was married to Rebecca Gardner, Dec. 22, 1836. The first portion of his married life he spent in Huntingdon Co., moving to Centre Co. in 1850. His first three years in Centre Co. were While here he was called upon to mourn the loss of the friend of his life, Centre Furnace in 1854, where for rather unhandy to supply with sticks. three years he acted in the capacity of manager. The needed link in the family circle was added in the latter part of 1857 where he lived for 22 years upon home. Reaching the age when the pressure of labor fell too heavily upon his shoulders, he removed te Benner township, where he spent the remainder of his days. He was esteemed by the people, as is shown by his holding various local offices, aspiring to nothing political. Since the founding of the Buffalo Run Presbyterian Church, in the erection of which he manifested so great an interest, he has been one of its elders. His character was such that to know him was to respect him. His manner was jovial and winning, but always maintained that poise which marks a Christian gentleman. As a conversationalist he had few equals; upon all topics he was well versed, and his views upon them were very liberal. The crowning feature of his whole nature was his high Christian character, and the comfort he personally manifested in his last hour was the blessed assurance of his having entered "into the joy of the Lord." The funeral services took place from the Presbyterian church Harry Yuengling, a twelve year old boy on Sunday afternoon and were conducted by Dr. Hamill of Oak Hall.

He was born in Lancaster county, January 1st, 1810, being one of a family of 15 children whose parents were Lawrence and Elsy Peters. The family moved to Centre county in 1812, and since that time the deceased lived in Union township and Unionville. He inherited a strong constitution from his mother, who died at the age of 85 yrs. He leaves a widow (his second wife) and 3 daughters, Mrs. Samuel Brugger and Mrs. D. Hall of Unionville, and Mrs. Shuman of Missouri. His two sons John and Joseph, died for their country in the war of the Rebellion, and for them the Peters Bros. Post, G. A. R. of Unionville was named. About 20 years ago, Mr. Peters joined the Society of Friends and was an honorable and upright member to the day of his death. In his death a useful citizen is removed. and it is enough to say he will be missed. Rev. M. B. Laning, of the Baptist church, was requested to hold a short service, and members of the Society of ---Thursday evening of last week Friends took part, after which the remains were laid in the cemetery at Dix

> A HORSE RESCUED FROM A WELL. -The Jersey Shore Herald says that a large black mare belonging to Mr. Kelly Stout, of Piatt township, fell into a well 30 feet deep near his residence. The animal went down stern foremost, injuries. The poor brute was in about 6 feet of water which covered all but part of her neck and head. Men went down the well and placed ropes securely about was brought into use and the unfortunate beast was released from her perilous position. It took the combined strength of three powerful horses and several men to draw her up out of the well and place her again on dry land. Save a few bruises the animal was uninjured, a very remarkable thing, indeed.

-John I. Rankin, of this place, has received the appointment of deputy sixth auditor of the treasury at Washington which has been pending for some months. It is said to be a \$2200 office. We congratulate Mr. Rankin upon his appointment to this important post and hope he will find the place congenial, pleasant and profitable. The department of which Mr. R. is Deputy is the largest accounting bureau of the government. It passes on the accounts of over 5000 postmasters, requiring over 400 clerks, ten chiefs of division, a disbursing clerk and chief clerk. ---It is reported that prospecting for iron ore has been in progress in the mountains south of Lock Haven with satisfactory results. The Express says that the prospecting has been done by a practical man who thoroughly understands the business of mining ores and who seems to know just where to begin work. A four foot vein of hematite ore was opened, and also a vein of bog ore. The thickness of the latter vein has not yet been determined. The ore in both beds is thought to be of a rich quality, but its value can only be determined by analysis. The gentleman who opened the veins, however, thought from the as rich as the average ores of that kind of the enterprise to make it "boom."

COMPLAINING MILDLY .- The Williamsport Gazette and Bulletin thus mildly complains about the action of

Gov. Beaver:

"It is understood that Governor Beaver declines to apply more than fifteen thousand dollars toward paying the bills contracted for cleaning up this city after the flood. The Governor admits that the loss to Williamsport has been very severe, but he claims that he had not expected to pay the whole amount expended in cleaning up. The cleaning was done upon the strength of a dispatch from the Governor which authorized the employment of the idle men, and he would see that the money would be raised to pay them reasonable wages. It is probable, however, that the Governor did not anticipate such a big contract as the cleaning of this city proved. The Mayor and others here acted in good faith and used the relief money contributed by the citizens of our own city and elsewhere relying upon getting it from the Governor under the telegraphic authority he had given for the expenditure made. As it is, about ten thousand dollars has been paid out in excess of the sum to be received from the Governor. This, of course, reduces the relief fund just to that extent and will be a disappointment to all concerned.
