SAYS A FATHER WHOSE CHILD WAS

CURED BY HOOD'S SARSAPARILLA.

Children often suffer greatly fron impure blood until a good medicine like Hood's Sarsaparilla is taken to expel impurities and give vitality. Parents should read the following statement:

"I think it my duty to tell how much good Hood's Sarsaparilla did my little girl. She was from birth puny, pale and sickly, and did not gain strength as she grew older. Even when 3 years of age she could not stand alone. She ate nardly anything, and seemed to be weak constitutionally, but was doubtless kept back by impure blood, which caused her much discomfort and suffering. She had scald head terribly, her head being covered with one sore. One day I read in Hood's Item of

A REMARKABLE CURE

of a child by Hood's Sarsaparilla, and I decided to try this medicine. To say that I was astonished at the effect the first bottle had upon her would be a mild way of expressing my feelings. Her appetite began to pick up, and soon we could hardly give her enough to eat. She also gained strength, could stand alone, and the sore on her head began to grow less. We soon healed this up with Hood's Olive Ointment, and when she had taken three bottles of Hood's Sarsaparilla she could run about the house as smart as any child. She has been bright and healthy ever since. I write this out of pure gratitude to Hood's Sarsaparilla." E. T. Alexander, 28 Cleaves St., Portland, Me.
