Democratic Watchman. 75 9 00 The farmer's wife then attempted to assist her husband out of his predica-ment, but was promptly knocked down by the stranger, who made Hottel and his wife sit opposite him at the table, with their hands behind them, while he quietly enjoyed his breakfast. Having appeased his appetite he coolly shook hands with the farmer and his wife, bade them an affectionate farewell, took to the woods with his plunder and has not been heard from. Some Facts About Catarrh. BY DR. S. B. HARTMAN The lining membranes of the nose and throat being most exposed to the air are usually the first to become affected by Catarrh. As soon as the Catarrh becomes seated either in the nose or throat it begins slowly to spread to other parts. Numerous passages open into the phar-ynx or upper throat; and, as they are all lined with the same mucous membrane which line the pharynx, the Ca-tarrh can easily find its way to almost any part of the body. It may go upwards into the middle ear and cause deafness, or into the frontal sinuses and \$1556 73 cause constant frontal headache. The Catarrh may go downwards through the esophagus into to stomach and cause dyspepsia, or through the larynx, trachea and bronchial tubes to the lungs causing hoarseness, loss of voice, chronic cough, bronchitis and consumption. Whatever course the Catarrh takes the disease remains the same, and a \$ 29 15 $\begin{array}{c} 211 & 34 \\ 709 & 54 \end{array}$ remedy that can be relied on to cure it in one place can be relied on to cure it $\begin{array}{c} 581 & 61 \\ 204 & 99 \\ 66 & 48 \\ 78 & 15 \\ 83 & 77 \\ 93 & 60 \\ 38 & 27 \\ 57 & 38 \\ 28 & 55 \\ 32 & 63 \\ 230 & 58 \end{array}$ in all places. Pe-ru na seeks out at once the deranged parts and restores the diseased and flabby mucous membrane to health and elasticity. Pe-ru-na is a natural tonic to the capillary blood vessels, which are weakened or destroyed by Catarrh. Here are two cass in which the Catarrh had already reached $320 58 \\ 243 15 \\ 61 87$ the middle ear, producing deafness(as it always does): $\begin{array}{c} 61 \ 87 \\ 134 \ 61 \\ 4521 \ 55 \\ 33 \ 09 \\ 581 \ 63 \\ 508 \ 82 \\ 309 \ 17 \\ 248 \ 75 \\ 170 \ 61 \\ 227 \ 67 \end{array}$ Mr. Frederick Bierman, of McComb City, Miss., had Chronic Catarrh very badly for many years. The disease finally passed up the eustachian tube into the middle ear, and had almost destroy-

Office No. 14 North Al-egheny street. 28 13 GERMANTOWN, N. Y., Nov. 2, 1880. Dr. B. J. KENDALL CO.: Enosburgh Falls, Vt. Gents—In praise of Kendall's Spavin Cure I will say, that a year ago I had a valuable young horse become very lame, hock enlarged and swollen. The horsemen about here (we have no Veterinary Surgeon here) pronounced his lameness Blood Spavin or Thoroughpin, they all told me there was no cure for it, he became about useless, and I considered him almost worthless. A friend told me of the merits of your Kendall's Spavin Cure, so I bought a bot-tle, and I could see very plainly great improve-ments immediately from its use, and before the bottle was used up I was satisfied that it a second bottle and before it was used up my horse was cured and has been in the team do ing heavy work all the season since last April showing no more signs of it. I consider your Kendall's Spavin Cure a valuable medicine, and it should be in every stable in the land. Respectfully yours. EUGENE DEWITT. J. L. SPANGLER. C. P. HEWES.
