BUY HEADQUARTERS.

GRAND HARNESS OPENING,
APRIL 11, 1891.

We extend a cordial invitation to our patrons and the public in general, to witness

THE GRANDEST DISPLAY OF ❖Light and Heavy harness❖

ever put on the Bellefonte market, which will be made in the large room formerly occupied by Harper Bros., on Spring street. It has been added to my factory and will be used **EXCLUSIVELY AS A SALESROOM**. This elegant room has been refitted and furnished with glass cases in which the harness can be nicely displayed and still kept free from heat and dust, the enemies of long wear in leather. Our factory now occupies a room 16x74 feet and the store 29x60 feet, making it the

LARGEST ESTABLISHMENT OF ITS KIND outside of Philadelphia or Pittsburg.

We are prepared to offer **BETTER BARGAINS** in the future than in the past, and we want everyone to see our goods and get prices, for when they do this, out of self defense they will buy. Our profits are not large, but by selling lots of goods we can afford to live in Bellefonte. We are not making much, but trade is growing and that is what we are interested in now.

When other houses discharged their workmen during the winter they were all put to work in my factory. We venture the assertion that none of them can say, as we can say, "**No one owes us a cent that we can't get.**" This is the whole story.

The following are kept constantly on hand:

50 SETS OF LIGHT HARNESS \$8 TO \$15.

LARGE STOCK OF HEAVY HARNESS ALWAYS ON HAND AS LOW AS \$25 & UPWARD.

500 HORSE COLLARS from \$1.50 to \$5.00 each. Over \$100 worth of HARNESS OIL and AXLE GREASE. \$400 worth of FLY NETS sold cheap. \$150 worth of Whips from 15c to \$3 each, Horse Brushes, Curry Combs, Sponges, Chamois, Harness Soap, Knee Dusters, at low prices.

GENTLEMEN AND LADIES RIDING SADDLES,
Saddlery Hardware always on hand for sale, Harness Leather as low 25c per pound. We keep everything to be found in a

FIRST CLASS HARNESS STORE,

no changing, over 20 years in the same room. No selling out for the want of trade or prices. Four harness makers at steady work this winter. This is our idea of protection to labor.
