

To Farmers.
J. S. WAITE & CO.,
BELLEFONTE, PA.
We do not claim to be finished mechanics, but we simply say to our customers and competitors that we use better stock and employ none but good mechanics to manufacture our fine line of
CARRIAGES, BUGGIES, & SURREYS & SPRING WAGONS.
The best proof is that we find ready sale for our new goods, which some of our competitors do not. A second carload of celebrated Conlin Wagons now on hand, and the largest stock of implements ever brought to Bellefonte.
We are glad to have Farmers call any time to examine these goods, and if you find it will be an advantage to deal with us we will be ready and willing to promptly replace any defective parts, as we fully guarantee all goods sold and handled by us.
We make a specialty of Repairs and Repair Work on all kinds of Buggies and Wagons.

at the old Carriage stand of
McQUISTION & CO.,
NO. 10 SMITH STREET
adjoining the freight depot
We have on hand and for sale the best assortment of Carriages, Buggies, and Spring Wagons we have ever had. We have Hexter, Brewster, Ellipse, and Thomas Coil Springs, with Piano and Whitecap bodies, and can give you a choice of the different patterns of wheels. Our work is the best made in this section, made by good workmen and of good material. We claim to be the only party manufacturing in town who ever served an apprenticeship to the business. Along with that we have had forty years' experience in the business, which certainly should give us the advantage over inexperienced parties.
In price we defy competition, as we have no Pedlers, Clerks or Rents to pay. We pay cash for all our goods, thereby securing them at the lowest figures and discounts. We are determined not to be undersold, either in our own make or manufactured work from other places; so give us a call for Surries, Phaetons, Buggies, Spring Wagons, Harnesses, and anything else in our line, and we will accommodate you.
We are prepared to do all kinds of
—REPAIRING—
on short notice. Painting, Trimming, Woodwork and Smoothing. We guarantee all work to be just as represented, so give us a call before purchasing elsewhere. Don't miss the place alongside of the freight depot.

KENDALL'S SPAVIN CURE.
THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Read proof below.
KENDALL'S SPAVIN CURE.
Bellefonte, Pa., Nov. 27, 1890.
DR. B. J. KENDALL CO.,
Ensbrough Falls, Vt.
Gents—I would like to make known to those who are almost persuaded to use Kendall's Spavin Cure the fact that I think it is a most excellent Liniment. I have used it on a Blood Spavin. The horse went on three legs for three years when I commenced to use your Kendall's Spavin Cure. I used ten bottles on the horse and have worked him for three years since and has not been lame.
Respectfully yours,
WM. A. CURL.

Gents—In praise of Kendall's Spavin Cure I will say that a year ago I had a valuable young horse become very lame, hock enlarged and swollen. The horseman about here (we have all told me there was no cure for it, he became about useless, and I considered him almost worthless. A friend told me of the merits of your Kendall's Spavin Cure, so I bought a bottle, and I could see very plainly great improvements immediately from its use, and before the bottle was used up I was satisfied that it was doing him a great deal of good. I bought a second bottle and before it was used up the horse was cured and has been in the team doing heavy work all the season since last April showing no more signs of it, and he has not shown any signs of a spavin since, and it should be in every stable in the land.
Respectfully yours,
EUGENE DEWITT.
Prices \$1 per bottle, or six bottles for \$5. All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors.

ITCHING SCALY SCALP
WITH THREATENED LOSS OF LUXURIANT HAIR, 50 INCHES LONG, CURED BY CUTICURA FOR \$1.25.
Warm weather caused my head to perspire very much, causing an irritation developing into a rash, which was further irritated by my finger-nails, causing a scale to cover the lower back part of my head. My doctor recommended me having the hair cut short in order to more easily apply treatment, as he felt assured it would otherwise spread all over my head and probably kill the roots. As I have a very abundant head of hair, fifty inches long, I desisted from such a course. I did not use a whole piece of soap and but one box and one half of the Cuticura Ointment. My scalp has been thoroughly healthy for six years, and I feel free to give your remedies a warm recommendation.
