

**COUNCIL PROCEEDINGS.**—At the meeting of Council on Monday evening Chas. Callaway and George Bush protested against the erection of any oil tank in the rear of the Bush House.

The Water committee reported everything in readiness for the new pump; that the contract for furnishing the fixtures for the same had been awarded to Jenkins & Lingle; that the Court House iron fence had been purchased, with which to surround the Spring, with a chance to sell the fence that is now around the Spring, &c.

The Fire and Police committee recommended the allowing of Hoover & Miller to erect their oil tank, but the matter was allowed to fall under the provisions of the ordinance against such oil tanks.

The offer of Mr. Cunningham to put down a crossing from Brockerhoff House to First National bank, the street committee reported favorably, and council agreed to let Mr. Cunningham put it down on the terms offered.

Mr. Williams reported a nuisance in the shape of men, entirely nude, going in swimming in the old car works dam.

Mr. Hillbush reported that the Water committee estimated their expense for the present year at seven thousand dollars. The Finance committee recommended that recognition be taken of the water committee's estimate.

Council voted to accept the invitation of the Fourth of July committee to be present at the celebration on the Fourth of July.

A number of bills were approved and the council adjourned.

**UNITED BROTHERS SUNDAY SCHOOL CONVENTION.**—The annual convention of the Altoona District of the Allegheny conference of the United Brethren church, was held at Julian, June 9th, 10th and 11th inst. Rev. J. F. Tallhelm, of Julian, Presiding Elder of the District, presided during the session of the convention. Rev. H. T. Denlinger, of Williamsport, was elected reporter for the Conference Journal.

The following subjects were discussed during the convention: "The object of a Sunday School Convention"; "The Sunday School Superintendent's character and qualifications"; "What is the proper use of lesson helps"; "The duties of the Church to the Sunday School"; "The duties of the Sunday School to the Church"; "The duties of pastor to the Sunday School"; "The object of Sunday School instruction"; "The teachers' qualification"; "The claims of the Sunday School upon the pastor"; "The young people's society of Christian Endeavor, its views, its relations to the church"; "Its claim upon the pastor."

The following ministers were present and took part in the discussions: Revs. T. P. Orner, C. W. Wasson, A. Davidson, W. A. Jackson, Geo. Noden, John Craig, G. W. Eminhizer, J. F. Tallhelm, H. T. Denlinger, W. Cramer and B. J. Hummel; also Rev. J. C. Young of the M. E. church. The convention was a success in every particular.

**A SPARROW EXECUTED.**—The Lock Haven Democrat vouches for the truth of the following story about the execution of a sparrow in that place. Maybe the bird that was thus capitolly punished was the sparrow that killed Cock Robin years ago and had confessed the murder or been convicted on evidence recent divulged. The following is the story:

"Under the eyes of the Schroeder building on Main and Vesper streets, there is a bird box, which is inhabited by sparrows, and this morning the birds coolly and deliberately hung one of their number, for some offence, suspending it by the neck until death ensued. After death the birds then tried, as it were, to cut their dead companion down and picked its neck in their efforts to do so until it was much mutilated. They failed to accomplish their object, however, and the body was removed by one of the spectators. Mr. Drake, the oil man, was one of the persons who witnessed the entire procedure. The birds had a thread around the culprit's neck and he was executed in first class style, hanging down several inches below the bird box."

It is a satisfaction to believe that in the Cock Robin murder case justice has at last been vindicated and the offender brought to punishment.

**Unionville Items.**

The paper-wood industry is growing. Boating on the Bald Eagle has become a favorite pastime.

This community has no very great men, neither has it any exceedingly small. The game of quills has revived.

We are on our good behavior, owing to the arrival of the new preacher.

Union township is brushing its Sunday clothes, in preparation for the grand Fourth of July at Bellefonte.

The old tannery smoke-stack ought to be sent to the World's Fair.

Is Beaver dead?

Since botany and physiology are taught so extensively in public schools, we are living in hope that farming will be a grand success.

If a way should be contrived to carry to market at small expense the iron ore lying in abundance near this place we might soon be assuming airs of the twentieth century.

Nowwithstanding the sound logic, the keen wit and the flow of eloquence which impressed the large audience at lyceum recently the great question, "Was Calhoun's dog's tail really cut off?" is still undecided.

The inventive genius of Thomas McCoy often saves him a great deal of annoyance. As an instance, he answered nearly nine hundred anticipated questions last week by simply putting the following inscription on an old hack that was brought to his shop: "This vehicle was left here by Johnny Stero. He bought it of Walle in Bellefonte. Don't know what it cost; don't know what he will do with it; nor don't care."

Unionville has more retired school teachers than business men; which circumstance may conduce to our future welfare, since education improves the morals, feeds the soul and transports many men to Elysian Canada. A few of us are vulgarly inclined only to accumulating money, but we feel an exalting comfort basking in the reflection of culture.

Griest, it's hot.

That children can have too much of a good thing is evidenced by the gloomy countenances of the few that are attending county schools.

About this time newspapers should cease persecuting the corner loafer. Can it be supposed that providence would create a species, and preserve it through all the vicissitudes, from flood time to the present, just for the fun of annoying decent people? No; the loafer has a higher mission. What is he to do? He is to grin, wink, kick, box, swear, dance, snicker, gossip, quarrel, use slang, trade lats, write autographs, suggest new laws, criticize the girls, assail characters, trip little boys, slip the sidewalks, discover maudlin attitudes, nick the heads of pale fencibles, invent new forms of government, speculate on the nature of hell and illustrate how to get there.

Canister shot will not be used in the French army in the future. The shells are filled with an explosive made of chrysolite and a substance kept secret, and every battery has seventy-five rounds of these projectiles.

**NOTHING BUT FACTS.**

If you are told that you can buy, in Centre county, a more reliable or better article in foot wear of any description for less money than you can at Power's Store, you will find it a mistake by calling and examining their prices and stock.

TWENTY-ONE years experience in the business, in Bellefonte, has enabled them to select goods suitable to the wants of the people, both in price and quality. Their stock is as large, if not the largest, as any in the county and the shoe business gets all their attention, and they are familiar with all the leading manufacturers and jobbers in the country.

Owing to these facts it is absurd to think that any one can buy goods for less money and consequently sell for less.

Look for the sign of the Big Shoe.

**YOU HAVE TREATED US LOYALLY**

The four years we have been in business. We consider ourselves under many obligations to you for the manner in which you have stood by us. But you deserve more than thanks, and you shall have it. We intend to merit, your patronage now more than ever.

Money is scarce—we know it; but clothing is plenty and we intend to put it within reach of the very poorest. If you want a suit for yourself, we have everything that is in the market. We can give you those cheap shoddy goods that you see advertised for \$3 and \$4 per suit. But that is not the class of goods we want to sell you. We want to sell you strictly honest goods, goods that will give you service, that you will be satisfied with, and make you customers of ours for ever.

Now, then, we will sell you a suit for yourself that is all wool for \$7. And when we say all wool we mean it. For your boy, if he is within the age of 14 to 18, \$5.50 will get him the same kind of a suit. If he is within the age of 4 and 14, and wears short pants, \$3.50 is all that is needed.

These goods are all worth a great deal more money than we ask for them, but we have got more than we need. Some are single suits, odds and ends, a few of them from last season—but they are all the greatest values for the money that you have ever seen, and you must see them to get an idea how cheap they are.

Thanking you again for past favors, and hoping that for your interests, as well as ours, you will give us a call and satisfy yourself that there is no place in Central Pennsylvania where you can buy clothing cheaper than from us.

Remain, Respectfully,  
M. FAUBLE, Prop'r  
Rochester Clothing House,  
Bellefonte, Pa.  
Opp. Brockerhoff House.
