Eaten by Wild Beasts. WILKESBARRE, Pa., August 2.—The skeleton of Annie Fredericks, the little girl who disappeared from her home in Laurel Run nearly two months ago, has been found on the mountain side fully seven miles from the village.

When the little girl first disappeared searching parties scoured the mountains on every side, a band of gypsies was chased for three days and their camp thoroughly searched, but without success.

The father had mortgaged his little home to raise funds to carry on the search. On Saturday a neighbor brought word that Cameron had been found, but when the father heard that it was dead he swooned away. Arvon Porter had found the skeleton while huckleberrying.

FERTILIZERS.

We announce to our farmer friends in Central Pennsylvania, that we have arranged for a supply of four different grades of farm fertilizers, which we offer for sale with the full assurance that we are furnishing full market value for the money we receive for the same.

CHAMPION \$25.00 AMMONIATED SUPER-PHOSPHATE.

Our Champion \$25.00 Ammoniated Super-Phosphate has been thoroughly tested by farmers, and we are informed by many of them that it has given entire satisfaction. It is a complete fertilizer. We have assurance from those who use it that they received an honest return in the crop for the money invested.

DISSOLVED SOUTH CAROLINA ROCK.

We have purchased two grades of Dissolved South Carolina Rock; one grade contains a minimum of 13 per cent. and the other a minimum of 14 per cent. available Phosphoric Acid, the analysis of which we guarantee. The value of Dissolved South Carolina Rock consists in the amount of available Phosphoric Acid it contains.

When the goods shall have been received, we invite a test analysis to be made of any sample or from the goods purchased by any farmer by the Chemist of the State Board of Agriculture, who is Dr. Frear, of the Pennsylvania State College.

AMMONIATED DISSOLVED BONE. We sell Lister's goods, which are a complete Animal Bone Ammoniated Super Phosphate.

BUFFALO HONEST FERTILIZERS.

The Buffalo, which has been the leading fertilizer of Centre county for at least twelve years, still maintains its reputation of furnishing an honest return for the money invested. It is, in fact, what is claimed for it, "An Honest Fertilizer."

DEMAND FOR FERTILIZERS.

From present indications the demand for fertilizers will be very large this year, which makes it necessary for farmers to place their orders early to make sure of their supply.
