Our factory now occupies a room 16x74 feet and the store 20x00 added makes it the largest establishment of its kind outside of Philadelphia and Pittsburg. We are prepared to offer better bargains in the future than we have done in the past and we want everyone to see our goods and get prices for when you do this, out of self defense you will buy. Our profits are not large, but by selling lots of goods we can afford to live in Bellefonte. We are not indulging in idle philanthropy. It is purely business. We are not making much, but trade is growing and that is what we are intræsted in now. Profits will take care of themselves. When other houses discharged their work-men during the winter they were all put to work in my factory, nevertheless the big (?) houses of this city and county would smile if we compared ourselves to them, but we do not mean to be so odious, except to venture the as-section that none of them can say, as we can say "NO ONE OWES US A CENT THAT WE CAN'T GET."
