School Report.

The report of the Plank Road School, situated near Martha, in Worth township, for the 2nd month is as follows: Number pupils enrolled, male 14, female 15, total 29. Average attendance, male 13, female 7, total 20. Per cent. of attendance male 91, female 82, average 87. Those present every day during the month were: Ernest Spots, Ernest Ardrey, Ellis Ardrey, Rudolph Gingsery and Victor Wagner. Number of visitors 8.

As you see we have had very poor attendance, but think it more the fault of the parents than teacher.

J. O. HARPSER, Teacher.

A Royal Engagement Announced.

LONDON, Dec. 9.—Prince Albert Victor duke of Clarence, the eldest son of the prince of Wales, on Friday proposed to and was accepted by Princess Victoria Mary, the only daughter of the duke of Teck, at Luton hall, where both have been staying lately with a large party. Queen Victoria specially desired the match, which is said to be quite a love affair. The marriage will be celebrated at an early date.

RACKET STORE NEWS.

The Store is specially adapted to the GREAT AMERICAN HOLIDAY Season. We have made extra preparations for the week and when we tell U that The Racket this year is easily twice as large as it was last year, U can form an idea of the immense variety we have open for your inspection. Everything U can possibly think of and always under regular price. Our price to U is often less than most store-keepers pay (let alone what they sell at) and there is positively no such an assortment in Centre county.

If U come to Bellefonte and don't look through The Racket before making your Holiday purchases, U will make a great mistake.

BALTZELLS.

A great and growing establishment.

It is now a little more than two years since the firm of Baltzells & Rouss, of Altoona was dissolved, the Messrs Baltzell retaining possession of the business.

Since that day steady progress has been made until now they have the largest retail and wholesale business between Pittsburg and Philadelphia, and which is constantly broadening out and increasing.

Leaving competitors behind, this fall another story was added and filled to overflowing with a full line of China, in all makes, Queens-ware, Japanese ware, Glass-ware, Hardware, Silverware, Iron and Stone ware, and Wooden and Willow ware, and a general line of Household Goods, Dolls and Toys, and beautifully arranged and lighted. The store is as wide as three ordinary buildings, five stories high and runs back to the alley, and large as it is, is literally packed with every conceivable kind of goods from the best manufactory, and all at lowest prices. There is nothing to wear and but little for use in a house but is found there; even Drugs, Perfumes, Shoes, Jewelry, stationary and myriads of other things, not forgetting the most elegant Millinery Parlors the Country affords. The advantages of such a place to shop in for people from the country is beyond expression and next week we will tell them something about goods and price lists.

SCHOFIELD'S NEW HARNESS HOUSE.

We extend a most cordial invitation to our patrons and the public, in general, to witness one of the

GRANDEST DISPLAYS OF

Light and Heavy Harness

ever put on the Bellefonte market, which will be made in the large room, formerly occupied by Harper Bros., on Spring street. It has been added to my factory and will be used exclusively for the sale of harness, being the first exclusive salesroom ever used in this town, as heretofore the custom has been to sell goods in the room in which they were made. This elegant room has been refitted and furnished with glass cases in which the harness can be nicely displayed and still kept away from heat and dust, the enemies of long wear in leather. Our factory now occupies a room 16x74 feet and the store 20x60 added makes it the largest establishment of its kind outside of Philadelphia and Pittsburg.

We are prepared to offer better bargains in the future than we have done in the past and we want everyone to see our goods and get prices for when you do this, out of self defense you will buy. Our profits are not large, but by selling lots of goods we can afford to live in Bellefonte. We are not indulging in idle philanthropy. It is purely business. We are not making much, but trade is growing and that is what we are interested in now. Profits will take care of themselves.

When other houses discharged their workmen during the winter they were all put to work in my factory, nevertheless the big (O) houses of this city and county would smile if we compared ourselves to them, but we do not mean to be so odious, except to venture the assertion that none of them can say, as we can say "NO ONE OWES US A CENT THAT WE CAN'T GET." This is the whole story.

The following are kept constantly on hand. 50 SETS OF LIGHT HARNESS, prices from \$8.00 to \$15.00 and upwards, LARGE STOCK OF HEAVY HARNESS per set \$25.00 and upwards, 500 HORSE COLLARS from \$1.50 to \$5.00 each, over \$100.00 worth of HARNESS OILS and AXLE GREASE,

\$400 worth of Fly Nets sold cheap \$100 worth of whips from 1c to \$3.00 each, Horse Brushes, Curry Combs, Sponges, Chamois, RIDING SADDLES, LADY SIBSADDLES

Harness Soap, Knee Dusters, at low prices, Saddlery-hardware always on hand for sale, Harness Leather as low as 25c per pound. We keep everything to be found in a FIRST CLASS HARNESS STORE—no changing, over 20 years in the same room. No two shops in the same town to catch trade—NO SELLING OUT for the want of trade or prices. Four harness-makers at steady work this winter. This is our idea of protection to the past, when other houses discharged their hands, they soon found work with us.

Agricultural Salt, our Champion Twenty-five Dollar Phosphate; Lister's best make; Buffalo Honest Phosphate for use on barley, corn, potatoes, and wheat, as well as Mapes Potato Fertilizer, all of which have the highest reputation for producing an honest return for the money invested.

Our large trade justifies us in buying our supplies in large quantities, hence we buy at the lowest prices, which enables us to sell at the lowest prices; therefore, it will be to the interest of every farmer in Central Pennsylvania to examine our stock before purchasing.

We take great pleasure in entertaining farmers. It does not cost anything to examine the articles we have on exhibition.
