

Pine Grove Mentions.

Butcher season is on the wane and P. F. Butcher has killed the boss porker, tipping the scales at 450 pounds.

The weather is beautiful and many farmers are busy plowing. The roads are in excellent condition and pleasure driving is at its best.

The grain crop has much improved in growth and color in the last week just now a rain would be acceptable and thankfully received.

Mr. J. C. Murphy, who has for some years been a resident of Clearfield county, is now visiting his aged mother in this place. Probably he will make Pine Grove his permanent home.

Rev. D. J. Bouse has finally stored away the "last" and accepted a call from Cambria county on a circuit of six appointments. To the young Devine we wish God speed in his ministerial undertaking. He is a fluent talker and is fair to become a first class pulpit orator. For the present his family will remain here.

Just on the heels of the hunt Lin D. Musser and Wm. Homan are entitled to be registered on the list of Nimrods. Mr. Musser brought down two fine deer last week while Mr. Homan was satisfied with one. Deer appear to be more plentiful than some weeks ago and we will not be at all surprised to learn of our Nimrods hunting wild turkeys and rabbits.

Mr. Henry McCracken, while driving a spirited young team, was in some accidental way thrown in front of the front wheel of the wagon, where he became entangled in the lines, from which he could only be extricated by backing the team. How he escaped from being killed is a mystery, but he came out with a few scratches and bruises and is now about as usual.

Mr. Francis Speer, of Bellefonte, came over to Bostburg to attend the Musser-Kaup wedding and resumed his journey next morning much elated over the splendor and brilliancy of the affair. Although considerably excited and prostrated next day he was shown through our township as far west as Pennsylvania Furnace, Fairbrook, Rock Springs, Pine Grove and Shingletown which had a tending to quiet his nervous temperament.

The following letters remained uncalled for at the Bellefonte Post Office Dec. 14 1891.

Joseph Barvitch, Katie Barner, W. Frank Gibbons, Charles Rock.

When called for please say advertised.

BALTZELLS.—

A great and growing establishment.

It is now a little more than two years since the firm of Baltzells & Rouss, of Altoona was dissolved, the Messrs Baltzell retaining possession of the business.

Since that day steady progress has been made until now they have the largest retail and wholesale business between Pittsburg and Philadelphia, and which is constantly broadening out and increasing.

Leaving competitors behind, this fall another story was added and filled to overflowing with a full line of China, in all makes, Queens ware, Japanese ware, Glassware, Hardware, Silverware, Iron and Stone ware, and Wooden and Willow ware, and a general line of Household Goods, Dolls and Toys, and beautifully arranged and lighted. The store is as wide as three ordinary buildings, five stories high and runs back to the alley, and large as it is, is literally packed with every conceivable kind of goods from the best manufacturing, and all at lowest prices. There is nothing to wear and but little for use in a house but is found there; even Drugs, Perfumes, Shoes, Jewelry, stationary and myriads of other things, not forgetting the most elegant Millinery Parlors the Country affords. The advantages of such a place to shop in for people from the country is beyond expression and next week we will tell them something about goods and price lists.

SCHOFIELD'S NEW HARNESS HOUSE.

We extend a most cordial invitation to our patrons and the public, in general, to witness one of the

—GRANDEST DISPLAYS OF

Light and Heavy Harness

ever put on the Bellefonte market, which will be made in the large room, formerly occupied by Harper Bros., on Spring street. It has been added to my factory and will be used exclusively for the sale of harness, being the first exclusive salesroom ever used in this town, as heretofore the custom has been to sell goods in the room in which they were made. This elegant room has been refitted and furnished with glass cases in which the harness can be nicely displayed and still kept away from heat and dust, the enemies of long wear in leather. Our factory now occupies a room 16x74 feet and the store 29x30 added makes it the largest establishment of its kind outside of Philadelphia and Pittsburg.

We are prepared to offer better bargains in the future than we have done in the past, and we want everyone to see our goods and get prices for when you do this, out of self defense you will buy. Our profits are not large, but by selling lots of goods we can afford to live in Bellefonte. We are not indulging in idle philanthropy. It is purely business. We are not making much, but trade is growing and that is what we are interested in now. Profits will take care of themselves.

When other houses discharged their workmen during the winter they were all put to work in my factory, nevertheless the big (?) houses of this city and county would smile if we compared ourselves to them, but we do not mean to be so odious, except to venture the assertion that none of them can say, as we can say "NO ONE OWES US A CENT THAT WE CAN'T GET." This is the whole story.

The following are kept constantly on hand. 50 SETS OF LIGHT HARNESS, prices from \$8.00 to \$15.00 and upwards, LARGE STOCK OF HEAVY HARNESS, prices set \$25.00 and upwards, 500 HORSE COLLARS from \$1.50 to \$5.00 each, over \$100.00 worth of HARNESS OILS and AXLE GREASE, \$400 worth of Fly Nets sold cheap \$150 worth of whips from 1c to \$1.00 each, Horse Brushes, Curry Combs, Sponges, Chambray, RITING SADDLES, LADY SADDLES, Harness Soap, Knee Dusters, at low prices, Saddlery hardware always on hand for sale. Harness Leather as low as 25c per pound. We keep everything to be found in a FIRST CLASS HARNESS STORE—no changing, over 20 years in the same room. No two shops in the same town to catch trade—NO SELLING OUT for the want of trade or prices. Four harness-makers at steady work this winter. This is our idea of protection to labor, when other houses discharged their hands, they soon found work with us.

Agricultural Salt, our Champion Twenty-five Dollar Phosphate; Lister's best make; Buffalo Honest Phosphate for use on barley, corn, potatoes, and wheat, as well as Mapes Potato Fertilizer, all of which have the highest reputation for producing an honest return for the money invested.

Our large trade justifies us in buying our supplies in large quantities, hence we buy at the lowest prices, which enables us to sell at the lowest prices; therefore, it will be to the interest of every farmer in Central Pennsylvania to examine our stock before purchasing. We take great pleasure in entertaining farmers. It does not cost anything to examine the articles we have on exhibition.
