BALTZELLS.

Further from the Mountain City.

President Harrison in his recent message lauds the McKinley bill as very favorable in its average effect on the prices of articles entering into common use. He denies that it bears offensively upon the people and says that it has "created several great industries which will within a few years give employment to several hundred thousand women." Of course it is not our province to enter into a political discussion on Free Trade or High Tariff. What we desire to say is that McKinley bill or not, our prices this holiday time have been reasonable beyond complaint and there has not seemed to be any lack of money as our enormous sales have fully indicated. And now that the darkest and shortest days are over and mother earth is again turning coquetishly towards Father Sol, the times as well as the days will grow brighter and better everywhere.

Such a wilderness of beauty and true worth can be found nowhere outside of Pittsburgh and Philadelphia and you need go no farther for anything in Dry Goods, Notions, Fancy Articles Table Furnishings of every description. Take a look in our windows and you can see a few samples of the many things suitable for gifts. Come in the morning if possible as the afternoon and evenings are so crowded.

A fine line of Umbrellas and Umbrella stands, cheaper than ever before offered in this city, are suitable for presents. If you are thinking of buying some one a handsome and lasting gift, look in our Silver Department. All kinds of beautiful and useful things in Triple and Quadruple Plate that will last a lifetime are there. A fine lot of Orange Spoons and Fruit Knives, would be acceptable to any one needing such articles.

If you want a beautiful solid gold ring, plain or jeweled for a child or lady we have them in all prices from a few cents to \$13 and a handsome line of jewelry of various kinds including gold watches.

Don't forget that our millinery stock has also been greatly reduced. Hats are going at a sacrifice of 50 per cent in some cases and many handsome bargains can be had.

SCHOFIELD'S NEW

HARNESS HOUSE.

We extend a most cordial invitation to our patrons and the public, in general, to witness one of the

GRANDEST DISPLAYS OF

Light and Heavy Harness

ever put on the Bellefonte market, which will be made in the large room formerly occupied by Harper Bros., on Spring street. It has been added to my factory and will be used exclusively for the sale of harness, being the first exclusive salesroom ever used in this town, as heretofore the custom has been to sell goods in the room in which they were made. This elegant room has been refitted and furnished with glass cases in which the harness can be nicely displayed and still kept away from heat and dust, the enemies of long wear in leather. Our factory now occupies a room 16x74 feet and the store 26x60 added makes it the largest establishment of its kind outside of Philadelphia and Pittsburg.

We are prepared to offer better bargains in the future than we have done in the past and we want everyone to see our goods and get prices for when you do this, out of self defense you will buy. Our profits are not large, but by selling lots of goods we can afford to live in Bellefonte. We are not indulging in idle philanthropy. It is purely business. We are not making much, but trade is growing and that is what we are interested in now. Profits will take care of themselves.

When other houses discharged their workmen during the winter they were all put to work in my factory, nevertheless the big (?) houses of this city and county would smile if we compared ourselves to them, but we do not mean to be so odious, except to venture the assertion that none of them can say as we can say "NO ONE OWES US A CENT THAT WE CAN'T GET." This is the whole story.

The following are kept constantly on hand. 50 SETS OF LIGHT HARNESS, prices from \$8.00 to \$15.00 and upwards. LARGE STOCK OF HEAVY HARNESS, per set \$25.00 and upwards, 500 HORSE COLLARS from \$1.50 to \$3.00 each, over \$1000 worth of HARNESS OILS and AXLE GREASE.

\$400 worth of Fly Nets sold cheap \$100 worth of whips from 15c to \$3.00 each, Horse Brushes, Curry Combs, Sponges, Chamoles, RULING SADDLES, LADY SIDE SADDLES, Harness Soap, Knee Dusters, at low prices. Saddlery-hardware always on hand for sale. Harness Leather as low as 5c per pound. We keep everything to be found in a FIRST CLASS HARNESS STORE—no changing, over 30 years in the same room. No shops in the same town to catch trade—NO SELLING OUT for the want of trade or prices. Four harness-makers at steady work this winter. This is our idea of protection to labor, when other houses discharged their hands, they soon found work with us. JAS. SCHOFIELD, 33-37 Spring street, Bellefonte, Pa.

We take great pleasure in entertaining farmers. It does not cost anything to examine the articles we have on exhibition.
