Kate Field on Scandal.

She Also Has a Few Words to Say About Idle Women.

Miss Kate Field, the talented editress is down, "No I did not come up here to meet the Majestic," she said emphatically to a reporter yesterday. "Did all you New Yorkers go to meet the Majestic? They say there were over 60 reporters, and I suppose all the papers were represented. Isn't it a pity that not one paper in New York can afford to leave out this scandal? The demand for such news must indeed be great. But I do not care to talk about such subjects. Poor woman is blamed for everything."

"Woman are the cause of all these recent scandals, and I presume you expect me to admit, as a woman and a journalist, that it is the woman who cause this immense demand for scandalous literature. But, really, I suppose that the woman are as much to blame as the men."

"You know the old saying, that the devil runs an employment agency for the idle. The woman are as useless as the men, if not more so, and the higher in society we go the worse it grows. A person who is in earnest is a bore. It is the old story of empty heads, hollow hearts and marriages without love. The most of these women are not worth the ink that is spilled on them, much less blood."

"They call Washington the most social city in the United States. The ladies there do nothing but make and receive calls. The Senator's wife receive one day, Representative's, another the President's another so on. They waste away their lives passing bits of paste-board. It tends speedily toward softening of the brain. It is mechanical, insane, idiotic. What wonder that a woman sometimes breaks away from such a routine."

"You ask, 'Is there no cure?' It calls to my mind the efforts of a friend to 'raise the drunkard,' as she called reforming him. You cannot reform the old drunkard. You can cultivate the coming generation. Let us hope that the future will give us a woman who prefers the freedom of a horseback ride to this insane exchange of cards."

The Great Northwest.

The States of Montana and Washington are very fully described in two folders issued by the Northern Pacific Railroad, entitled "Golden Montana" and "Fruitful Washington." The folders contain good county maps of the states named, and information in reference to climate, lands, resources, and other subjects of interest to capitalists, business men or settlers.

Holders of second class tickets to North Pacific Coast points, via Northern Pacific Railroad, are allowed the privilege of stopping over at Spokane, Washington, and points west thereof, for the purpose of examining all sections of this magnificent state before locating.

Northern Pacific through express trains carry free colonist sleeping cars from St. Paul, and Pullman tourist sleepers from Chicago (via Wisconsin Central Line) to Montana and Pacific Coast points daily.

California tourists, and travelers to Montana and the North Pacific Coast, can purchase round trip excursion tickets at rates which amount to but little more than the one way fare. Choice of routes is allowed on these tickets, which are good for three or six months, according to destination, and permit of stop-overs.

The elegant equipment on the Northern Pacific Railroad; the dinner car service; the through first class sleeping cars from Chicago (via both Wisconsin Central Line and C. M. & St. P. Ry.) to Pacific Coast points, and the most magnificent scenery of seven states, are among the advantages and attractions offered to travelers by this line.

The "Wonderland" book issued by the Northern Pacific Railroad describes the country between the Great Lakes and Pacific Ocean, with maps and illustrations.

For any of the above publications, and rates, maps, time tables, write to any General or District Passenger Agent, or Chas. S. Fee, G. P. & T. A., N. P. R. R., St. Paul, Minn.

NEW WASHINGTON, PENN., PEOPLE—Are not slow about taking hold of a new thing, if the article has merit. A few months ago David Byers, of that place, bought his first stock of Chamberlain's Cough Remedy. He has sold it all and ordered more. He says: "It has given the best of satisfaction. I have warranted every bottle, and have not had one come back." 50 cent and \$1.00 bottles for sale by F. P. Green, Druggist.

—TO THE WORLD'S FAIR.—Join the club that, is being organized to attend the World's Fair at Chicago. You can pay for your ticket in weekly or monthly payments; the ticket covers railway fares, board room and exposition tickets. The United World's Fair Excursion Co. is the strongest in the United States. Apply to A. H. Roby Sec'y 406 Exchange building Boston, Mass.

—The purest and best articles known to medical science are used in preparing Hood's Sarsaparilla. Every ingredient is carefully selected, personally examined, and only the best retained. The medicine is prepared under the supervision of thoroughly competent pharmacists, and every step in the process of manufacture is carefully watched with a view to securing in Hood's Sarsaparilla the best possible result.

—The Republican newspapers that have been wrought to an unhealthy pitch by Democratic "blunders" will soon be quite as much wounded because the effect of the blunders has disappeared. The little congressional flurry will soon be over, the sunshine of coming victory will drive away the clouds and a united Democratic front will meet the combined forces of monopoly and oppression.—Patriot.

GETTYSBURG

G. M. HAMMOND WAS WOUNDED IN THAT TERRIBLE BATTLE.

AFTER TWO AMPUTATIONS BLOOD POISONING SET IN.

Long Years of Awful Suffering—Cured by the Wonderful Powers of Hood's Sarsaparilla.

"Syracuse, N. Y., June 22, 1891.
"In the summer of 1861 I enlisted in the 86th N. Y. S. Volk, and soon after joined the Army of the Potomac, participating in all the many battles of the war that my regiment got into until the battle of Gettysburg. In this great battle the 3d Corps (of which my regiment was a part) was actively engaged. In the second day's fight, when our lines were advanced I was

STRUCK IN THE ANKLE

by a minnie ball, which smashed the bone. My leg was amputated in the field hospital and after a long time it healed. I was discharged and returned home. Eight years after my return my wound broke open afresh, and finally Dr. Pease of this city amputated it again, taking off about an inch of the bone and again it healed. Four years after this it once more opened, and for eight years

GOD ONLY KNOWS

what I suffered. I do not believe it possible for a human being to suffer worse agony. During this time I had to go on crutches, being unable to wear a wooden leg. Whenever possible I relieved my sufferings by taking opiate, but being poor and unable to work was often obliged to go without it. At such times I suffered fearfully and thought I should go crazy. I tried everything I could think of or get with, in my limited means. Prominent doctors saw me and treated me but it got no better. They then told me I would never be any better and left me. Finally my

BLOOD BECAME SO POISONED

that it broke out all over my face and on some parts of my body so that my face is all covered with scars at the present time. One day I read of what Hood's Sarsaparilla would do. The first dollar I got I sent and bought a bottle and began taking it. A week or two later my wife in dressing my leg, said it seemed to be improving, and at the end of a few months, thank God (and I say it reverently), the sores all over my body had healed, and now, four years later, have never shown any sign of re-appearing." GEORGE M. HAMMOND, 219 Magnolia Street, Syracuse, N. Y.

COMMANDER WEAVER CONFIRMS MR. HAMMOND'S STATEMENT.

Col. Weaver, himself a one-armed veteran, confirms Mr. Hammond's statement as follows:

"I have known Mr. George M. Hammond an old soldier for several years and have every reason to believe that his statement in regard to Hood's Sarsaparilla is correct." CALISE A. WEAVER, Com. Root Post, G. A. R. Dept. N. Y.

PHARMACIST BELDEN ALSO KNOWS ABOUT IT.

"I have known Mr. Geo. M. Hammond for several years and have sold him drugs and different remedies for the ulcer on his leg, among others

HOOD'S SARSAPARILLA

and I know no reason for doubting the accuracy of his statement. I have sold him no drugs since his leg healed up 4 years ago." J. L. BELDEN, Pharmacist, Syracuse, N. Y.
