The Fools Are Not All Dead.

A lazy man, whose horses and cart were stuck in the mud prayed to Jupiter for help. Jupiter answered: "Fool! get up and put your shoulder to the wheel, and do not call on me when you can help yourself." Foolish people buy medicines hap-hazard, blindly trusting to promises made without a guarantee. Dr. Pierce's Golden Medical Discovery is guaranteed to cure colds, coughs, all lung affections, and even Consumption, in its early stages. It puts to rest all stomach troubles, purifies the blood, gives healthful action to the sluggish liver, and drives blemishes from the skin. It is an honest medicine, and an invaluable health insurance policy which should never be allowed to lapse. All druggists keep it.

Will You Join Us?—But a few tickets left to complete the club to attend the World's Fair on the United World's Fair Excursion Co's plan. Payments monthly or weekly; this is the strongest company in America. Apply to A. H. Roley, sect. 406 exchange Building, Boston.

Deserving Praise.—We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Butters, and have never had a remedy that sell as well or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Parrish druggists.

Unfortunate Hankinsons. Mr. Hankinson—Here are some chocolate creams, Johnny. Do you think Miss Irene will be down soon? Johnny (after stowing them away securely)—Yes, sis 'll be down purty soon I reckon. I wish it was you, Mr. Hankinson, she was goin' to marry instead of that stinky old Shagsford.

What does it mean? "100 Doses One Dollar" means simply that Hood's Sarsaparilla is the most economical medicine to buy because it gives more for the money than any other preparation. Each bottle contains 100 doses and will average to last a month, while other preparations taken according to directions, are gone in a week. Therefore, be sure to get Hood's Sarsaparilla, the best blood purifier.

Rosa Bonheur is nearing the completion of her great picture "The Threshing Floor," and though she has already refused \$16,000 for it is not unlikely that she will send it to the World's Fair.

"Why so pale and wan, fond lover Prithes! why so pale?" "Well if the truth must be told, I have the most villainous cold a man ever had." She only smiled a confident and happy smile—and brought down her bottle of Dr. Bull's Cough Syrup.

Sir Edward Watkins, of London, has married \$5,000,000. Incidentally he has also wedded the 82-year-old lady who owned it.

I was a sufferer from catarrh for fifteen years, with distressing pain over my eyes. I used Ely's Cream Balm with gratifying results. Am apparently cured.—Z. C. Warren, Rutland, Vt.

MUTUAL LIFE INSURANCE COMPANY OF NEW YORK.

WHEN solicited to insure in other companies remember that the Mutual Life Insurance Company of New York, is entitled to your first consideration since it holds the foremost place among the Life Insurance Institutions of the world, and offers superior advantages in all the features of business, together with unequalled financial security. 1. It is the OLDEST active Life Insurance Company in the country. 2. It is the LARGEST Life Insurance Company in the world. 3. It is the STRONGEST financial institution in the world, its assets amounting to \$150,000,000 with a surplus of \$10,000,000. 4. It is the SAFEST company in which to insure, being conservative in its management and careful in the selection of its risks. 5. It is the CHEAPEST company in which to insure. It has returned in dividends to its policy holders over \$93,000,000, thus reducing the actual cost of insurance to a minimum. 6. It is the BEST company in which to insure as it combines all the advantages of age, large and select membership, financial strength, absolute security, and the cheapest insurance that is possible under any contract which has a definite value to the beneficiary. 7. It has no stockholders to claim a share of the profits. Its assets and surplus all belong to the insured. 8. Its ratio of expenses to receipts is less than that of any other company. Its interest receipts alone have exceeded its expenses by \$55,000,000 and its death claims by \$11,000,000. 9. Its new forms of Policies containing the Distribution Survivorship principle, together with its guaranteed seven per cent. Consols combine more advantages with fewer restrictions than any other investment insurance contract ever offered. It consolidates Insurance, Endowment, Investment and annual Income in one Policy giving protection to the family and a future income to the insured, if living. A guaranteed insurance and income is named in the policy. 10. It places no restrictions upon travel, occupation or residence after two years. 11. Being Non-Frictable and Incontestable it provides a legacy and not a lawsuit. 12. All claims are paid immediately upon acceptance of proofs of death. For further information apply to J. A.
