The Milk Turned Sour. I will tell you her name, but one of the neighbors says that during her brief visit the other day the milk turned sour. Her countenance looks a yard long. She sighs perpetually. The cloud on her brow is deep. If beaten out thin, I believe it would cover the sky. Her voice is doleful, and her eyes show no radiance. Her wrinkles are numberless. She is a sorry picture, and all because she is the victim of one of those complaints common to women. Her system is deranged. She needs a course of self-treatment with Dr. Pierce's Favorite Prescription. This will eradicate thoroughly those excruciating periodical pains and functional weaknesses incident to her sex, and at the same time build up and invigorate her whole system by its health-imparting influence. A trial bottle will convince.

A bushel of lime costs less than an undertaker's visit or a doctor's call. A bushel of lime preaches a better sermon than a shouting evangelist. A bushel of lime is a better sermon than a shouting evangelist. A bushel of lime preaches a better sermon than a shouting evangelist. A bushel of lime is a better sermon than a shouting evangelist.

LA GRIPPE SUCCESSFULLY TREATED. I have just recovered from a second attack of the grip this year," says Mr. Jas. O. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days, against ten days for the first attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy, as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.' 50 cent bottles for sale by F. P. Green, Druggist.

Dr. Hutchinson recommends for the treatment of bleeding at the nose the plunging of the feet and hands of the patient in water as hot as can be borne. He says that the most rebellious cases have never resisted this mode of treatment.

To tighten cane seat chairs turn up the chair bottom and wash the cane work thoroughly with soapy water and a soft cloth. Let it dry in the air, and it will be firm as when new, provided the cane has not been broken.

Living questions are most esteemed by every intelligent man and woman. Derangements of the liver, stomach and bowels speedily present to us the living question of obtaining relief. It is at once found in Dr. Pierce's Pellets which cure sick headache, bilious headache, constipation, indigestion, bilious attacks, etc. Purely vegetable and perfectly harmless, they are unequalled as a specific for the complaints named. One tiny, sugar-coated Pellet a dose. In vials, 25 cents. Carry them in your vest-pocket.

The output of the McDonald oil field is decreasing at the rate 1000 barrels a day. Two dry holes were reported last week.

I feel it my duty to say a few words in regard to Fly's Cream Balm, and do so entirely without solicitation. I have used it more or less half a year, and have found it to be most admirable. I have suffered from catarrh of the worst kind ever seen in a little boy and I never hoped for cure, but Cream Balm seemed to do even that. Many of my acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Ave., Chicago, Ill.

The larger the reduction of Republican majorities the louder is their cry of "victory."

After the Grip and after typhoid fever, diphtheria, pneumonia, or other prostrating diseases, Hood's Sarsaparilla is just what is needed to restore the strength and vigor so much drained, and to expel all poison from the blood. It has wonderful success in many such cases.

With wool on the free list one's wits can go wool gathering without restraint.

Down on your knees, and thank Heaven fasting, not for a good man's love this time, but because you have cured your cold so easily with Dr. Bull's Cough Syrup.
