

Christian Endeavor.

Thirty Thousand Delegates Said to be in Attendance—Impressive Opening Ceremonies—The Largest Christian Convention Ever Held—Five Thousand People in Madison Square Garden.

New York, July 8.—Of the million and a quarter members of the Society of Christian Endeavor who have taken this pledge over 15,000 gathered this afternoon in Madison Square Garden.

In all the stirring history of religious life and labor there has never been a gathering that equaled this one of today—in the magnitude of its interests and the importance of its councils.

It beats no drums and sounds no cymbals, and yet it is an army of salvation; it marches with neither sword nor banner, and yet it is a holy crusade.

DELEGATES FROM FAR AND NEAR. It is estimated that there are thirty thousand members of the society, delegates from all the states of the Union and from abroad, in the city.

The Garden was filled long before 2:30, the hour set for the service of prayer and praise with which the convention opened.

Our politicians are astir. Daddy Lucas a veteran of the war is raising for Gen'l Weaver, the people's candidate, while harmony prevails in the Democratic ranks.

Here and there throughout the hall stood the great white placards stamped with the names of the states and indicating the location for the different delegations.

Every service was a repetition of the first as to attendance and numbers. Several overflow meetings were held in different parts of the city and when Depew, Wanamaker and some of the noted divines spoke the streets were blocked for a long distance, leading to Madison Square Garden.

It was the largest meeting the society has ever held and is the best of evidence as to its growth and good work.

All May Strike.

If the Carnegie Company Does Not Recognize the Amalgamated Association.

PITTSBURGH, Pa., July 12.—The refusal of the Carnegie steel company to recognize the Amalgamated association in the settlement of the wage scale at Homestead, it seems now possible, will result in a general and prolonged strike at all of the Carnegie mills including those that have signed for the coming year.

It was the largest meeting the society has ever held and is the best of evidence as to its growth and good work.

Pine Grove Mentions.

The churches last sabbath were not at all crowded on account of the hot weather.

Our special friend N. E. Hess last week lost a valuable horse from concussion of the brain, caused by a hurt on the forehead and continued work in the hot weather.

Our young friend David Tate, who last March went west to grow up with that great country, has returned feeling well satisfied that the old Kentucky state.

Our great big farmer friend Frank Bowersox was thrown from a load of hay onto the barn floor. The rope with which he was dumping hay from a large bark broke and resulted in the fall, from which he suffered much pain for several days, but we are glad to say he is now improving and is out of danger.

Our ministerial friend Rev. C. T. Aikens, of the Lutheran congregation, has been granted a vacation during the heated season. The reverend gentleman, accompanied by his wife and little Clara, took the train for Altoona where we hope they will have a pleasant time and safe return to their people.

The good and fair weather of last week was made use of by our farmers in the way of putting up their hay crops. They proved to be much better than was expected.

This week they are in the midst of grain which proves to be an average crop of good quality and a very large acreage. The cherry and berry crop is almost an entire failure, with a short apple crop.

We are in receipt of a circular and private letter from our warm friend Hon. John Woodward one of Penna. World's Fair managers. From the tenor of his letter he is busily engaged in collecting and preparing our State cereals for exhibition at the Fair.

UNSOLICITED TESTIMONIALS

"SEVERE EYE TROUBLE. I have been troubled with some eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under the care of Dr. Salm, who visits Butler every four weeks, and after only three months treatment, I consider myself entirely cured, and I can safely say that my eyes feel better and have better vision than at any time within the last twelve years. Mas. F. GOWEN, Butler, Pa., W. Jefferson street.

CROSS EYE OPERATION. I have been cross-eyed ever since infancy. On August 27, 1890, I went to Dr. Salm, who visits Indiana every four weeks. He operated on my eye with perfect success, without pain or loss of blood in about a minutes time. Respectfully, KALE KENKLE, Parkwood, Indiana county, Pa., Oct. 23, 1890

EAR TROUBLE AND CATARRH. I have been troubled with catarrh and deafness, ringing in the ears, about six years. Tried two different doctors in Pittsburg and ever so many patent medicines, without the least benefit. I have now been under Dr. Salm's treatment four months, and the improvement is remarkable, and I am certain that within a short time I'll be entirely cured. He is the Doctor to go to, to get cured. W. R. MILLER, Kellie Station, Armstrong Co., Pa., Oct. 3, 1890

FISTULA, FISTULA AND ULCERATION OF RECTUM. After first treatment in the most intense pain had vanished as if by magic. For nearly five years I have suffered most fearfully from fistula, fissure and ulceration of rectum. The pain produced by same was at times almost intolerable, and my doing any work was out of the question. After having had the first treatment from Dr. Salm, the relief was remarkable and the fearful pain of years' standing had vanished as if by magic and now after a short course of treatment I consider myself entirely cured. Gratefully, JOHN HORNBE, Indiana, Pa., March 11, 1891.

GROWTH REMOVED FROM THE EYE BALL. Dr. Salm has removed a hard, gritty growth from my left eye with perfect success and but little pain. The sight has also improved to a great extent. Respectfully, Mrs. EMMA ADAMS, Wier, Butler county, Pa., January 22, 1891.

REMOVAL OF TUMOR FROM THE EYE BALL. A few months ago Dr. Salm removed from my left eye-ball a tumor size of a small hazel nut with perfect success and no pain whatever, and was not kept in the house a single day on account of the operation. ALICE WORK, Rochester Mills, Indiana Co., Pa., Jan. 14, 1891.

TUMOR REMOVED FROM THE EAR DRUM. I have had a tumor growing in the ear almost attached to the drum. Dr. Salm removed the same four weeks ago without any pain, and as I can see now, with splendid results. He is a great physician. PETER ANMAN, Somerset, Pa., January 16, 1891.

PRIVATE DISEASES. On account of having been Attending Physician at Hot Springs Dr. Salm has never failed to cure a case of Private Disease peculiar to either sex, no matter of what nature or how long standing.

RUNNING OF THE EARS. Our little son Brinton has for the last five years had running of both ears, and the same was so offensive that it was almost impossible to be near him; he became emaciated, pale and puny, and was nearly always crying on account of the pain. We had him treated in Leesville, Clarion, and Oil City by the best home physicians, but no cure resulted and we might just as well have thrown our money in the fire. Dr. Salm has been treating him for three months, and an entire and splendid cure has been made by him on Brinton. Mrs. V. McNAUGHTEN, Kingsville, Clarion Co., Pa., Jan. 27, 1891.

LUNG TROUBLE CURED. In June of last year I put myself under treatment for a bad case of lung trouble. I was losing flesh rapidly and became weaker daily, so that my friends and myself became very much alarmed. Although treated by some of our very best home physicians, I began to sink more and more. At this date I consider myself entirely cured of all my previous troubles, have once more a good appetite and can eat and sleep with pleasure, and am indeed very much satisfied with the result. Dr. Salm has done all he promised. S. E. RABE, Blanco, Armstrong Co., Pa., Feb. 2, 1891.

CATARACT SUCCESSFULLY REMOVED. Having heard of successful cataract operations Dr. Salm has made, particularly one case of an old lady in Columbus, I decided to have him operate on my right eye, in which I was blind for nine years. The operation was performed some time in July; the pain was not worth mentioning and no chloroform was given. As a result I can to-day see far as near, read and write again, and from having been in ill health and puny, I am also rapidly improving in strength. I will gladly answer any correspondence and personal inquiry, regarding this successful operation. It was 7 years of age when the operation was performed. MARGARET KELLEY, Ashley, Delaware Co., Ohio.
