Pine Grove Mentions.

Rev. Trostle, of Boalsburg, very ably filled the Rev. Aiken's pulpit last Sunday evening. Sheriff Ishler spent a day in our township this week. We are always pleased to see his pleasant face socially, but officially prefer his passing by.

Miss Sadie Danley, who has been making her home in the Buckeye state for the last our brother, one sent to the parents of each year, a few days ago, gladened heraged mothers heart by suddenly returning home.

Linn Dale Musser has come over to the masses in favor of a stone crusher. At this we do not wonder, when we consider his sudden let down, while shoving on the ribbons at

the rate of 2.19. Mr. Frank Stover, one of Penna. R. R. Co., most trusted employers, with his intrusting little family, spent a week most pleasantly at the home of Mrs. Judge Smith, as is also, Mrs. A. C. Murphey and family of Clearfield.

Mr. Frank Smith one of our promising young men took his leave for Altoona where he expects employment in the Company's paint shop. Frank is the youngest son of the late Judge Smith. We predict for him a prosper-

With the pleasant and favorable weather this week, the bulk of the grain will be barned. Some of the farmers were through in the beginning of the week, in which the Sheriff took a hand, at which he is a whole team, but retired with a pair of blistered hands.

This section was visited about noon on the 12th inst., by a terrific thunder storm, accompanied by vivid flashes of lightning and a heavy rain fall. For nervous people it was indeed a bad hour, on ascount of the numerous flashes of lightning and heavy claps of thunder, although no one was hurt, a number of harvest hands received a bad fright, having taken shelter at the barn of Mr. Levi Krebs, just in time to get the shock of a bolt of light ning that passed down one of the rods, to the ground, passing through the wall and killing a young steer in the stable.

How Thomas Sexton and Michael Davitt Construe the British Election,

Dublin, July 18.—Thomas Sexton, in a speech at Listowel to-day, said: "A few months ago, when things looked black and doubtful, the generous Irish race in America and Australia despaired of a home rule victory owing to the factionist in the Nationalist ranks, and the word went around to hope no more for the fatherland. All its ranks were thin and broken. But to-day it

Saturday, July 16th, witnessed the first pic nic of the season for the quiet little village of voting precinct. The board consits of Port Matilda, which was given under the auair was cool and invigorating, the sun shone brightly and every one seemed as happy as happy could be. The party met at the M. E. church about 10 o'clock, formed into a proces sion, fifty strong, then with banner in front and the stars and stripes floating, it marched to Beckwith's Grove where a delightful day

was spent. A royal feast was prepared for the children by our distinguished ladies, I say distinguished because some of the best ladies of our town take an active part in the temperance work. Why should they not take part in this noble and dignifying work? It did us, older ones, all good to see the children swing and play and hear them speak and sing like angels, for if there are any beings on this earth that resemble the angles it is the innocent children. Oh, that they might always be so

pure and good! What a dreary world this would be, if it were not for the bright eyes, rosy cheeks, and merry voices of the dear children. It is the little ones who cheer our homes, brighten our churches, brings hope to the state, sweeten

life, and brings joy to all hearts. We have a very interesting Loyal Temperance Legion and its success is largely due to the untiring efforts put forth in its behalf by the untiring efforts put forth in its bensh of Mrs. Bion Williams and the Rev. Mrs. Jackson. Go on sisters, you are doing a grand work for the good of humanity and the glory of God. If you continue in this good work and are faithful unto the end the Saviour will say unto you asmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me, enter into the joy of thy Lord.

Unlike other cathartics, the effect of Ayer's Pills is to strengthen the excretory organs and restore to them their regular and natural action. Doctors everywhere prescribe them. In spite of immense competition, they have always maintained their popularity as a family medicine, being in greater demand now than ever before. They are put up both in vials and boxes, and whether for home use or travel, Ayer's Pills are preferable to any other. Have you ever tried them ?

Michael Davitt, who also spoke, said the nine seats gained by the Parnellites had been won with Tory money influence and votes, and that they would be obliterated at the next election.

The value of a good name was well exemplified the other day, when a man asked one of our druggists for a bottle of Sarsaparilla. "Whose? why, Ayer's, of course. Ye don't suppose I'm going to run any risks with Hannah, do ye?"

SEVERE EYE TROUBLE. I have been troubled with some Eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under the care of Dr. Salm, who visits Butler every four weeks, and after only three months treatment, I consider myself entirely cured, and I can safely say that my eyes feel better and have better vision than at any time within the last twelve years.

MRS. P. GOLDEN,
Butler, Pa., W. Jefferson street.

CROSS EYE OPERATION. have been cross-eyed ever since infancy On August 27, 1890, I went to Dr. Salm, who visits Iudiana every four weeks. He operated on my eye with perfect success, without pain

Parkwood, Indiana county, Pa. Oct. 23, 1890 EAR TROUBLE AND CATARRH. I have been troubled with catarrhand desf-I have been troubled with catarrhand definess, ringing in the ears, about six years. Tried two different doctors in Pittsburg and ever so many patent medicines, without the least benefit. I have now been under Dr.Salmtreatment four months, and the improvement is remarkable, and I am certain that within a short time I'll be entirely cured. He is the Doctor to go to, to get cured.

W. R. MILLER, Kelley Station, Armstrong Co., Pa. Oct. 3, 1890

FISSURE, FISTULA AND ULCERATION After first treatment in the most intense pain had vanished as if by magic. For nearly five years I have suffered most fearfully from fistula, fissure and ulceration of rectum. The pain produced by same was at times almost intolerable, and my doing any work was out of the question. After having had the first treatment from Dr. Salm, the relief was remarkable and the fearful pain of years' standing had vanished as if by magic, and now after a short course of treatment I consider myself entirely cured Gratefully,

GROWTH REMOVED FROM THE EYE BALL.

Dr. Salm has removed a hard, gristly growth from my left eye with perfect success and but little pain. The sight has also improved to a great extent.

Respectfully,
MRS. ELMIRA ADAMS,
Wick, Butler county, Pa., January 22, 1891. REMOVAL OF TUMOR FROM THE EYE-BALL.

A few months ago Dr. Salm removed from my left sye-ball a tumor size of a small hazel nut with perfect success and no pain whatever, and was not kept in the house a single day on account of the operation. ALICE WORK.

TUMOR REMOVED FROM THE EAR DRUM. I have had a tumer growing in the ear almost attached to the drum. Dr. Salm removed the same four weeks ago without any pain, and as I can see now, with splendid results. He is a great physician. Somerset, Pa., January 16, 1891.

PRIVATE DISEASES. On account of having been Attending Physician at Hot Springs Dr. Salm has never failed to cure a case of Private Disease peculiar to either sex, no matter of what nature or how long standing.

RUNNING OF THE EARS. RUNNING OF THE EARS.

Our little son Brinton has for the last five years had running of both ears, and the same was so offensive that it was almost impossible to be near him; he became emaciated pale and puny, and was nearly always crying on account of the pain. We had him treated in Linesville, Clarion and Oil City by the best home physicians, but no cure resulted and we might just as well have thrown our money in the fire. Dr. Salm has been treating him for three months, and an entire and splendid cure has been made by him on Brinton.

MRS. R. V. McNaughten,
Kingsville, Clarion Co., Pa., Jan. 27, 1891.

LUNG TROUBLE CURED. In June of last year I put myself under treat ment for a bad case of lung trouble. I was losing flesh rapidly and became weaker daily, so that my friends and myself became very much alarmed. Although treated by some of our very best home physicians, I began to sink more and more. At this date I consider myself entirely cured of all my previous trouble, have once more a good appetite and can eat and sleep with pleasure, and am indeed yery much satisfied with the result. Dr. Salm has done all he promised.

S. E. Rare, Blanco, Armstrong Co., Pa., Feb. 20, 1891.

CATARACT SUCCESSFULLY REMOVED. Having heard of successful cataract operations Dr. Salm has made, particulary of one case of an old lady in Columbus, I decided to have him operate on my right eye, in which I was blind for nine years. The operation way not worth mentioning and no chlorotorm way not worth mentioning and no chlorotorm way given. As a result I can to-day see far an near, read and write again, and from having been in ill health and puny, I am also rapidly improving in strength. I will gladly answe any correspondence and personal inquiry, regarding this successful operation. I was 7 years of age when the operation was performe.
