PRIVATE DISEASES.

On account of having been Attending Physi-cian at Hot Springs Dr. Salm has never failed to cure a case of Private Disease peculiar to either sex, no matter of what nature or how long standing.

RUNNING OF THE EARS.

RUNNING OF THE EARS. Our little son Brinton has for the last five years had running of both ears, and the same was so offensive that it was almost impossible to be near him; he became emaciated pale and puny, and was nearly always crying on account of the pain. We had him treated in Linesville, Clarion and Oil City by the best home physicians, but no cure resulted and we might just as well have thrown our money in the fire. Dr. Salm has been treating him for three months, and an entire and splendid cure has been made by him on Brinton. MBS. R. V. MONAUGHTER, Kingsville, Clarion Co., Pa., Jan. 27, 1891. LUNG TROUBLE CURED

LUNG TROUBLE CURED.

In June of last year I put myself under treat-ment for a bad case of lung trouble. I was losing fiesh rapidly and became weaker daily, so that my friends and myself became very much alarmed. Although treated by some lof our very best home physicians, I began to sink more and more. At this date I consider myself entirely cured of all my previous troub-ly, have once more a good appetite and can eat and sleep with pleasure, and am indeed yery much satisfied with the result. Dr. Salm has done all he promised. done all he promised.

Blanco, "Armstrong Co., Pa., Feb. 20, 1891. CATARACT SUCCESSFULLY REMOVED.

Having heard of successful cataract opera-Having heard of successful cataract opera-tions Dr. Salm has made, particulary of one case of an old lady in Columbus, I decided to have him operate on my right eye, in which I was blind for nine years. The operation way performed some time in July; the pain way not worth mentioning and no chloroform wi given. As a result I can to day see far an near, read and write again, and from havin been in ill health and puny, I am also rapidl improving in strength. I will gladly answe any correspondence and personal inquiry, re garding this successful operation. I was f years of age when the operation was performe.
