

— Ellis Snyder, the oldest son of the late Capt. A. B. Snyder was married last week to Miss Estella Sutton of Dunkirk, Indiana. Miss Sutton is to be congratulated as Ellis is not only one of the finest looking young men in this County, but is as nice as he is handsome.

— Mrs. John Schrock formerly of this place but who now resides on Pennsylvania avenue Tyrone, is the owner of a rat-terrier dog which, according to the *Tyrone Herald*, anticipated Thanksgiving by indulging in a feast of greenbacks on Wednesday. In the dining room of the house two five dollar bills lay on the table and the dog jumping upon a chair, secured the money and proceeded to devour it regardless of its worth. Mrs. Schrock entered the room in time to witness the wholesale destruction and she secured one of the mangled bills from the pet's mouth. This bill was chewed almost beyond recognition but the remains with an affidavit of how the mangling occurred have been sent to Washington by Cashier Kloss and the owner will receive a new bill for it from the treasury department. Mrs. Schrock afterward found the other chewed greenback which was not so badly mutilated and which Cashier Kloss at once replaced with a crisp five-dollar note. That's an extravagant dog.

— The Lock Haven Democrat of a recent date says: "Additional rights of way of the Central Railroad Company have been recorded in the office of Register and Recorder Crow. The new line starts from Watsonstown, runs through Sugar Valley and comes into Nittany Valley through the gap at Washington Furnace. The new rights of way may run through six properties, five in Logan and one in Greene township." This is the road that some of our people built with such a flourish of trumpets the early part of last Summer. Just why it stopped so suddenly, or why nothing has been heard of it for months is unknown to those who placed their names to its subscription list. As rights of way are still being secured in our neighboring county, however, it is fair to presume that the enterprise has not been abandoned, although to save the rights of way in this county, it will be necessary to begin work upon the road at an early day. Many of the rights of way granted in Walker township are conditioned on the completion of the road during the summer of '93.

— Monday morning our citizens, who in the excitement of election and the coming comet had lost all trace of time, were surprised to hear the Court House bell; but lawyers must live even if they do waste their substance on unlawful betting, and the bell was only a reminder of the special term of court that filled our town with strangers, and occupied the minds of the lawyers this week. Judge A. V. Barker of Cambria county presided and among the several cases tried, that of Wm. Colyer against H. A. and J. D. McKee was the most important. Colyer's claim was to recover 5 per cent commission on an extensive sale of timber land in Potter township, this county.

The tract in question consists of \$400 acres of timber, which was sold at \$40 per acre June 24, 1890, to the Glenn Union Lumber Co. Previous to this, McKee Bros., the owners, had agreed to pay Colyer 5 per cent commission if sold to N. C. Frick, of Millersburg, within a certain time. It was virtually a special case and a special offer, but the sale was not made, therefore the defendants in the case maintain they were not liable for the commission. Subsequently, however, the McKee's effected the sale themselves to the Glenn Lumber Co., Mr. Colyer not having any dealings in the sale at all. Yet he claims his 5 per cent commission on the sale with which the defendants assert he had nothing whatever to do.

Quite a number of witness were called in the case and it went to the jury Tuesday evening, but too late to be acted upon and return their verdict to court before Wednesday morning. The jury rendered its verdict in favor of Colyer for about \$800.

Orvis, Bower & Orvis were attorneys for the defendants, C. P. Hewes for the plaintiff.

Pine Grove Mentions.
Miss Annie Hassenpflug is the guest of Mrs. Rev. G. T. Aikens in our town.

Our agricultural friend G. W. McWilliams is taking care of a supply of Job's comforters.

Master Charles Brett of the Grammar school says it's better to spare the rod and spoil the lad.

Mrs. Michael Hess and Mrs. P. F. Bostorf are paying a two weeks visit to relatives and friends in the mountain city.

Cards are out for the marriage of Wm. E. Johnson of Pine Hill, to Miss Annie Wilson of Masseyburg, on Thanksgiving at noonday.

The communion services, as previously announced, to be held in the Presbyterian church next Sunday has been recalled, but the regular appointment will be filled on that day.

Ex-Treasurer Goss came off the mountain long enough recently to get the election returns, and the only reason he could give for the Waterloo of the G. O. P. was it did not have votes enough.

A. M. Brown proprietor, of our extensive lumber camp and saw mill came down off the mountains handling the ribbons behind a spanking team of Hambletonians to get the news from Harrison, but it was from Grover "and the next day it snowed."

One of the non-sensical bits on the recent Presidential election was made in our town and now a prominent and well known Republican voter is to crawl under his porch and bark like a dog. Jake may make a good barker, but he couldn't cheer worth shucks at the Cleveland jubilation.

Thus far there are seven applicants for the appointment of postmaster of our town. As yet but one applicant from the country has been heard from. But then it is more than four months before the political axe will fall, and the present incumbent is one of the kind of officials who seldom die and never resign and is a very good official.

Our sportsmen are taking advantage of the snow, and the mountains are lined with hunters who report deer scarce. Some bear have been tracked and panthers heard to make their hideous yells in the night air. Cooper Miller came in from the second mountain with a fine two year old which entitles him to membership in the Nimrod club.

Mr. H. R. Smith accompanied by two of his daughters and Mrs. W. J. Meyers got a lively shaking up on Monday of this week. While returning from Bellefonte, one of the spindles broke precipitating the party out on the wheels and into the mud. The team became unmanageable, separated themselves from the wreck, and after running several miles were caught and returned. Mr. Wm. Martz kindly furnished a wagon and the party landed safe home feeling glad no one was injured, although all were badly frightened.

Obituary.
William White, resident of Mt. Eagle, Centre county, died at his residence Sept. 23th, 1892, his death being the result of a fall upon the stairs, causing fracture of the skull, from which he was partially unconscious for some days previous to his demise.

Deceased was born at Eagle Forge, May 14th 1814, and worked in Curtin's Forge for the period of fifty-four years, only retiring from active labor when Curtin's works shut down, nearly three years ago. A man beloved by all and deeply respected, though too aged for labor, he was a landmark now much missed by those who best knew him, perhaps because there was none other just like him. His place is not supplied. Though but an humble citizen his death has made a void, because, simply of the missing individual. It might well be said of him "Blessed is the man whose sins are covered, to whom the Lord imputeth no guilt." He was a type of the purity of the American nation.

He leaves a widow, Mrs. Eliza White, and four grandsons, his nearest relatives, to mourn his loss; The sons of his daughter Margaret Adams. His son John White after serving his term of enlistment in the 45th Regt., Pa. Vols., with credit and honor, was most unfortunately killed on the Tyrone and Philipsburg railroad while serving in the capacity of brakeman, shortly after the close of the late war.

The interment was at Eagle Cemetery Sept. 27th.

Books, Magazines, Etc.
We call attention to prospectus of *American Journal of Politics*, of New York, found in another column. Intelligent men and women interested in the higher discussion of the great questions that agitate the public mind should read this magazine. Young men especially, who will be interested in the future management of public affairs, would do well to begin with No. 1, Vol. 1, of this Journal and preserve each number. In a few years they would possess a library of information of immense value. The first six numbers, making 700 pages of most excellent matter, will be sent on receipt of one dollar, half the regular price.

J. L. Schilling of Bellaire, Ohio, has just issued a little book entitled the three Emancipators which he offers to send to any one endorsing him a dime. It is of deep interest to the colored race, and every one who admires John Brown and Abraham Lincoln, should get a copy.

The following letters remain uncalled for in the Bellefonte P. O. Nov. 21, 1892.
G. V. Beattie, Brady & Co., J. M. Bundle, Harry R. Koster, L. S. Franklin, Lelek Holt. When called for please say advertised.

UNSOLICITED TESTIMONIALS

Wonderful.
Tyrone, Pa. Sept. 29th, 1892.

Dr. SALM. The medicine you gave me for Bronchitis and Asthma helped me wonderfully. There are 5 or 6 patients here who know of my case, and want to consult you and want to know if you will stop over here; if not we will come to Bellefonte at your next visit.

Yours Respectfully,
MRS. JENNIE CARSON.

Thanks to the good Dr. I feel once more hale and hearty.
Bellefonte, Pa., Oct. 13th, 1892.

For more than 5 years I have had sore eyes and at the same time a miserable case of Dyspepsia. I felt all over, became thin and pale, lost all appetite and energy. But now after only a few months treatment with Dr. Salm I have gained very much in flesh, have a good color, eat heartily; my eyes are as good as any ones, and Dyspepsia is all gone. In fact I consider myself entirely cured, and thanks to the good Dr. I feel once more hale and hearty.

Mrs. Sarah Kelley.

Successful double cross-eye operations.
Indiana, Pa., Oct. 12th, 1892.

I have been cross-eyed, and very badly for over 28 years. Dr. Salm operated on both eyes in less than two minutes time, without causing the least pain, nor was I confined to my room for a moment. I can conscientiously say that my eyes are now perfectly straight, thanks to the Dr.

Respectfully,
MRS. CALLIE KINTER.

SEVERE EYE TROUBLE.
I have been troubled with some Eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under the care of Dr. Salm, who visits Bellefonte every four weeks, and after only three months treatment, I consider myself entirely cured, and I can safely say that my eyes feel better and have better vision than at any time within the last twelve years.

Mrs. P. GOLDEN,
Butler, Pa., W. Jefferson street.

EAR TROUBLE AND CATARRH.
I have been troubled with catarrh and deafness, ringing in the ears, about six years. Tried two different doctors in Pittsburgh and ever so many patent medicines, without the least benefit. I have now been under Dr. Salm's treatment four months, and the improvement is remarkable, and I am certain that within a short time I'll be entirely cured. He is the Doctor to go to, to get cured.

GROWTH REMOVED FROM THE EYE-BALL.
Dr. Salm has removed a hard, gritty growth from my left eye with perfect success and but little pain. The sight has also improved to a great extent.
Respectfully,
Mrs. EMILIA ADAMS,
Wick, Butler county, Pa., January 22, 1891.

REMOVAL OF TUMOR FROM THE EYE-BALL.
A few months ago Dr. Salm removed from my left eye-ball a tumor size of a small hazel nut with perfect success and no pain whatever, and was not kept in the house a single day on account of the operation.

ALICE WORK,
Roehster Mills, Indiana Co., Pa., Jan. 14, 1891.

TUMOR REMOVED FROM THE EAR DRUM.
I have had a tumor growing in the ear almost attached to the drum. Dr. Salm removed the same four weeks ago without any pain, and as I can see now, with splendid results. He is a great physician.
Respectfully,
Somerset, Pa., January 16, 1891.

PRIVATE DISEASES.
On account of having been Attending Physician at Hot Springs Dr. Salm has never failed to cure a case of Private Disease peculiar to either sex, no matter of what nature or how long standing.

RUNNING OF THE EARS.
Our little son Brinton has for the last five years had running of both ears, and the same was so offensive that it was almost impossible to be near him; he became emaciated, pale and puny, and was nearly always crying on account of the pain. We had him treated in Linesville, Clarion and O. City by the best home physicians but no cure resulted and we might just as well have thrown our money in the fire. Dr. Salm has been treating him for three months, and an entire and splendid cure has been made by him on Brinton.

Mrs. R. V. McNAUGHTEN,
Kingsville, Clarion Co., Pa., Jan. 27, 1891.

CATARACT SUCCESSFULLY REMOVED.
Having heard of successful cataract operations Dr. Salm has made, particularly of one case of an old lady in Columbus, I decided to have him operate on my right eye, in which I was blind for nine years. The operation was performed some time in July; the pain was not worth mentioning and no chloroform given. As a result I can to-day see for a near, read and write again, and from having been in ill health and puny, I am also rapidly improving in strength. I will gladly answer any correspondence and personal inquiry, regarding this successful operation. I was years of age when the operation was performed.
