

Pine Grove Mentions.

The boss threshers, Hess, Musser & Co. are making their last round and in a few days will finish up the forty-first barn with forty thousand and of grain on the tally board.

Rev. C. T. Aikens is this week in attendance at the Lutheran Conference that convened at Swengle, Union county, on Tuesday. He is accompanied by his wife and will be absent two weeks.

Mr. Jeff Gates, one of Clearfield county's staunch Democrats recently spent several days hereabouts greeting his old time friends after an absence of many years. Father time has touched him lightly though his once black locks are sprinkled with gray.

The Nimrodic brigade was unusually successful last week. The Markles and Deckers, of State College, came in from Stone Creek with three fine deer while Baker Krebs, Peter Corl, Laurence Fox and J. D. Tanyer, each brought in one. The latter will consider our "Katy" doctored for a venison steak.

The Benj. Crain farm was sold at public sale recently for two thousand dollars. Mr. John Powley being the purchaser. The Thomas Strouse farm also was offered at public sale and bought by Joseph Strouse at \$35 per acre. The J. L. Rumberger farm was up at administrators sale last Saturday, sale adjourned with a seventeen hundred dollar bid.

Wedding bells on the 21st inst., Mr. Wm Johnson, of Pine Hall, accompanied by his intended presented themselves, equipped with the proper credentials, before Rev. C. T. Aikens, at the Lutheran parsonage, when two hearts were made to beat as one. When the newly married couple were driven to the groom's home where the honeymoon will be spent.

Tate-Archey. The marriage of these well known young couple will doubtless not surprise their legion of friends in this and other parts, nevertheless the pleasant intelligence that our esteemed townsman, Wm. E. Tate and Miss Jennie Archey, one of our most excellent young ladies, were, on Wednesday the 23rd inst. united in the sacred bonds of wedlock by Rev. George Elliott, at the bride's home, near our town, in the presence of a few specially invited guests will be news to all. The young couple enter upon the new relations with the very best wishes of a multitude of warm friends in which the warm-hearted friends are well known here and each is to be congratulated on the choice for a life mate made.

The reaper death has again visited our community and removed from all earthly gear one of our old land marks. On the 25th inst., David Fye, who for 74 years braved life's fitful stream that bore him by its current to that happy and golden shore whence no traveler returns, laid down his life at the feet of Jesus. The old patriarch spent his large number of years in sunshine and adversity and delighted in the teaching of the divine Master. In his youth he connected himself with the Reformed church. Politically he was a true Democrat and never missed a general election and held many offices of trust that he filled with honor and fidelity. At the time of his death he was road supervisor. Mr. Fye was possessed with a generous spirit and was one of the most clever and genial of men, always cheerful under adverse circumstances he managed to be on the bright side. His home within sight of this town, was a royal place to go and every person was most kindly entertained. To his mourning family we extend our heartfelt sympathy knowing that nothing that we can say will mitigate their sorrow or supply their irreparable loss, but assure them that his death has cast a gloom over many other hearts than theirs that cannot soon be overcome.

Mr. David Fye was born near Tusseyville, Potter township, Nov. 26, 1818. Married Jennina Bloom, Sept. 12, 1843. This union was blessed with six sons and six daughters three sons and one daughter died in infancy. His wife Mrs. G. Y. Meek, of Tyrone; Mrs. Prof. Rhoads of Benore; Mrs. A. B. Struble, of Tyrone; Mrs. Clayton Struble, of Fairbrook; Mrs. E. P. Hooper, of Oak Hall; D. Henry and Emanuel, on the old homestead, Adam C. of Davis, Ills, together with 27 grand children and 3 great grandchildren and three sisters Mrs. George Zettle, of Lemont; Mrs. Hugh Runkle, of Ill. and Mrs. John Zettle, of Ills; also two brothers John and Jacob Fye, in the west, survive him.

His remains were consigned to the tomb on the 28th inst. in the Pine Grove cemetery undertaker J. B. Heberling having charge of the burial services with the sons and son-in-law as pall bearers. His pastor A. A. Black had charge of religious services basing his remarks as found in Hebrews 9:27 and it is appointed unto men to die. Assisted by Rev. C. T. Aikens in paying the last tribute to the departed.

News Notes From Howard.
The doctors are very busy.
Dentist McEntire is here again.
Mr. Muffler reports the creamery as well under way.
District Attorney Meyer was a visitor to this Boro. this week, as was also Sheriff Ishler.
The streets as they appeared before the storm show the effects of good repair and new masonry.

Dr. Thoro. Rothrock is slowly nearing his last days. He has had a sympathetic life and deserves sympathy.
The balance of the proceedings of the Reformed church at Romola, promised for this issue, were not received and are consequently omitted.

Howard Moore claimed the services of his clerk, J. Heverly, also Charlie Sanders, in laying a tar crossing in front of his store, to the delight of pedestrians.

The turnpike committee were viewing the grounds this week, preparatory to the opening of the trial on December 16th, this year. The pike should have been condemned long ago and reverted to the civil authorities.

The entire exhibit of threshed grain for the Pennsylvania Dept. of the World's Fair has been shipped by Hon. John A. Woodward, Ass't W. F. Commissioner to W. H. Long's mill to be thoroughly cleaned before being placed in the stands. This mill is up to the standard and is well fitted for this branch of business.

C. C. Cooke, the saw mill Cooke, beats the record here for calculating lumber. This man can just sit down and measure lumber with his eye, and subsequent measuring finds him nearly always correct. And on top of that, he has a wagon with a coupling pole 30 feet long on which he expects to haul tremendous loads. Who beats him?
Some time ago the creamery project was erroneously stated to have been dropped, but later investigation shows the old fifth wheel factory buildings to be undergoing a general overhauling, preparatory to the reception of the creamery outfit. In mentioning this, it may be said to one man, that to remember that correspondents cannot always secure such assistance in getting at the truth as is desirable, and that mistakes are always willing to be corrected at once, when found out.

Building still keeps booming. Some wise men claimed that not long ago a sign appeared which would stay the progress of our Boro, but if we don't fool them badly, when they open their eyes every morning and hear the hammer etc., going on, (very often an hour before they are thinking of getting up) then we don't know why. If they don't know that lots of houses are going up, it is because they don't want to know.

The excellent job of crushing and paving of Main St., by S. D. Tice, is to be commended. The number of tons used run up into the hundreds and the street was afterwards partly covered with cinders as an experiment. Gentlemen, cover the rest of the stones and we won't begrudge it one bit. Bennie Holter, Anse Always Schenck, and Howardyou A. Moore were the genial supervisors and deserve another big ovation.

The Howard band which has been practicing new tunes for some time, under the instructions of Mr. Brown, has surpassed itself in every respect this week with the splendid and perfect playing. Gentlemen, times are a little dull at present; may we request you to serenade us on the streets once a week? This will draw out our friends, the farmers pay you well, pay us well, besides you will have pleasure of knowing that we know you are improving.

The following is your correspondents report of the services of the Romola churches last Sunday:

Disciple church: Revs. Blair and Hart text, put on the whole armor ably defended by Hart. His earnestness of speech, easy manners and graceful heat, took the church spell bound. After the reverend had finished, the pastor Rev. Blair, then offered communion which closed the services. Attendance about 80, mostly adults.

The exaggerated report from Mechanicsburg, regarding the accident to Grant Swires' arm, and published in the Patriot (Harrisburg) was evidently by the work of some one who wanted to gain a little notoriety. Upon the strength of the 100 lb hammer in use in the fifth wheel factory, having slightly pinched his arm. The report was made to read that had, that for 36 long, dreary, anxious hours a mother here was in the deepest agony, suffering only what a mother can suffer, until James Fletcher, telegraphed his brother Howard at Mechanicsburg, receiving the words, "not hurt very much, will probably go to work in a short time."

Reformed church. Revs. Brown and Robb; Louis Robb, (son of Peter Robb Sr. an old leader and deacon in this church, a farmer and noted for his benevolent ways), led the services. He dwelt principally upon the dedication exercises, and contrasted why your church should be as finely fitted up as your homes. He made his speech without a murmur of disapproval being heard from his audience, except when he put his father's name down for a \$5. subscription to the general repair fund, which allusion was replied to by an "ooh" from his father. He satisfied the congregation that they were right in building their fine temple to the Lord, and trusted that his blessing would be upon all of them for their many deeds of kindness. The singing was splendid and ably led by Mrs. Maggie Robb, while the organist was Miss Lena Singer, also an artist. Deacons Robb Sr. and Jr., John Wenzel and Wm. Wenzel were present, as was ex-deacon George Glosner and family, now of Jacksonville. The church now appears very popular, inside and out, and especial mention is to be made of the abolishment of the two small doors and the substitution therefore of a large centre door, which in case of a funeral expedite matters very materially. Further items will be published in our next issue. Attendance 106 all told and principally families.

The medicine you gave me for Bronchitis and Asthma helped me wonderfully. There are 6 or 7 patients here who know of my case, and want to consult you and want to know if you will stop over here; if not we will come to Bellefonte at your next visit.
Yours Respectfully,
Mrs. JENNIE CARSONS.

Thanks to the good Dr. I feel once more hale and hearty.
Bellefonte, Pa., Oct. 13th, 1892.

For more than 5 years I have had sore-eyes and at the same time a miserable case of Dyspepsia. I felt bad all over, became thin and pale, lost all appetite and energy. But now after only a few months treatment with Dr. Salm I have gained very much in flesh, have a good color, eat heartily; my eyes are as good as any one, and Dyspepsia is all gone. In fact I consider myself entirely cured, and thanks to the good Dr. I feel once more hale and hearty.

Successful double cross-eye operations.
Indiana, Pa., Oct. 12th, 1892.

I have been cross-eyed, and that very badly for over 28 years. Dr. Salm operated on both eyes in less than two minutes without causing the least pain, nor was I confined to my room for a moment. I am conscientiously say that my eyes are now perfectly straight, thanks to the Dr.

Respectfully,
Mrs. CALIEE KINTNER.
SEVERE EYE TROUBLE.

I have been troubled with some Eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under the care of Dr. Salm, who visits Butler every four weeks, and after only three months treatment, I consider myself entirely cured, and I can safely say that my eyes feel better and have better vision than at any time within the last twelve years.

Mrs. F. GOLDEX.

EAR TROUBLE AND CATARRH.
I have been troubled with catarrh and deafness, ringing in the ears, about six years. Tried two different doctors in Pittsburg and ever so many patent medicines, without the least benefit. I have now been under Dr. Salm's treatment four months, and the improvement is remarkable, and I am certain that within a short time I'll be entirely cured. He is the Doctor to go to, to get cured.

REMOVAL OF TUMOR FROM THE EYE-BALL.

ALICE WORK,
Rochester Mills, Indiana Co., Pa., Jan. 14, 1891.

TUMOR REMOVED FROM THE EAR DRUM.
I have had a tumor growing in the ear almost attached to the drum. Dr. Salm removed the same four weeks ago without any pain, and as I can see now, with splendid results. He is a great physician.
PETER ANMAN,
Somerset, Pa., January 16, 1891.

PRIVATE DISEASES.
On account of having been Attending Physician at Hot Springs Dr. Salm has never failed to cure a case of Private Disease peculiar to either sex, no matter of what nature or how long standing.

RUNNING OF THE EARS.
Our little son Brinton has for the last five years had running of both ears, and the same was so offensive that it was almost impossible to be near him; he became emaciated pale and puny, and was nearly always crying on account of the pain. We had him treated in Linesville, Clarion and Oil City by the best home physicians but no cure resulted, and we might just as well have thrown our money in the fire. Dr. Salm has been treating him for three months, and an entire and splendid cure has been made by him on Brynton.
Mrs. R. V. McNAUGHTEN,
Kingsville, Clarion Co., Pa., Jan. 27, 1891.

CATARACT SUCCESSFULLY REMOVED.
Having heard of successful cataract operations Dr. Salm has made, particularly of one case of an old lady in Columbus, I decided to have him operate on my right eye, in which I was blind for nine years. The operation was performed some time in July; the pain was not worth mentioning and no chloroform was given. As a result I can to-day see far and near, read and write again, and from having been in ill health and puny, I am also rapidly improving in strength. I will gladly answer any correspondence and personal inquiry regarding this successful operation. I was 75 years of age when the operation was performed.
