FARMERS LAY FOR HIM .- An exchange says another swindler is working the country districts. His game is a new one and the farmers bite at it. The scamp says he is a representative of a co-operative store which sells groceries, dry goods, tools, etc., to farmers at wholesale prices. To get the benefit of the store the farmer is required to pay a fee of sixty cents a year or one dollar in advance for two years. It is a slick game, and as the tellow who is working it is a slick talker, many farmers are parting with their \$1 bills to get the advantage of the co-operative store. The store exists only in the brain of the agent and he is a fraud.

Bellefonte, Pa., Oct 13th, 1892.

For more than 5 years I have had sore eyes and at the same time a miserable case of Dyspersia, I felt bad all over, became thin and pale, lost all appetite and energy. But now after only a few months treatment with Dr. Salm I have gained very much in flesh, have a good color, eat heartily; my eyes are as good as any ones, and Dyspepsia is all gone. In fact I consider myself entirely cured, and thanks to the good Dr. I feel once more hale and hearty.
