PARILLA. "Seven years ago our daughter Blanche, then

four years of age, had a humor break out on her hands and face, which our physicians pronounced eczema. She seem. ed to derive no benefit at all and if the cold air reached her face or hands, they would swell up at once and look almospurple, and headed blisters would form and break, discharging a watery substance and

THE BURNING AND ITCHING

that attended it would drive the child nearly wild. Unless we encased her little hands she would tear patches of skin from her face and hands. The itching was intense We tried many doctors and many reme dies and at last gave the case up as hope less. But in the summer of '91 our daugh. ter Cora tried Hood's Sarsaparilla, to cure a scrofulous lump near the left

HOOD'S

SARSAPARILLA

CURES

reast which caused her much pair and dif ficulty at times in breathing. After tak ing four bottles it entirely disappeared. Blanche, who is now eleven, had spent seven years of suffering, so I concluded to give her Hood's Sarsaparilla. She com menced the middle of June to take medicine and at this writing has started on he fifth bottle. Her face is smooth and soft as a baby's,

THE COLOR OF A ROSE PETAL

Her hands are soft and white, where four months ago they were blue and red and calloused nearly like leather. I cannot express my gratitude by pen or mouth It seems a miracle and our friends are surprised " Mrs. Anna L. Clark, 401 East 4th St., Duluth, Minn.

N. B. If you decide to take Hood's Sarsa parilla do not buy any other.
